

**Remember you have all the information in this review online. These pages are blank intentionally. Note taking is specifically for you to write what you personally need to focus on. Use the online to reference all presentations.**

## Suggested Note taking

Multiple studies have shown hand written notes provide superior retention

Copying over the information we have given you will provide little true retention

All the information is available in your PANCE Nuggets online resources

You should **ONLY** be writing specific points that are specific to your personal understanding of a subject.

It is more important to pay attention to the specific PANCE strategies and point we are sharing with you than looking at the information which you already have.

Focus on associations and relationships more than just data

## Note taking

We suggest you download and print our notes book or electronically take notes on the PDF:

Cardiology 1 Notes Section 1 Coronary Artery Disease	
<input type="radio"/> Got it! <input type="radio"/> Remember it! <input type="radio"/> Hit the Books!	Defining the Heart and Terms
<input type="radio"/> Got it! <input type="radio"/> Remember it! <input type="radio"/> Hit the Books!	Coronary Artery Disease Your thoughts here
<input type="radio"/> Got it! <input type="radio"/> Remember it! <input type="radio"/> Hit the Books!	Acute Coronary Syndrome
<input type="radio"/> Got it! <input type="radio"/> Remember it! <input type="radio"/> Hit the Books!	Angina
<input type="radio"/> Got it!	Acute Myocardial Infarction

✓ Don't rewrite what is on the screen

✓ For an image you have access to, just write the section and look it up in your PANCE Nuggets

✓ Only you know what you don't know: Write it here!

✓ When a speaker clears something up for you: Write that new thought. Process here!

# Cardiology 1 Notes

## Section 1

### Coronary Artery Disease

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Defining the Heart and Terms

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Coronary Artery Disease

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Acute Coronary Syndrome

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Angina

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Acute Myocardial Infarction

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

#### Treating ACS

#### Open Notes Area

- ☐ Got it!
- ☐ Remember it!
- ☐ Hit the Books!

Check if you feel you have the level of understanding needed to pass your exam  
Check if the material triggers underlying memory but you need to review more  
Check if you do not recall this subject and you need to relearn the information

## Section 2

### Congenital Heart Disorders

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Defining Heart Sounds

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Atrial Septal Defect (ASD)/PFO

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Coarctation of the Aorta

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Patent Ductus Arteriosus

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Ventricular Septal Defect

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Tetralogy of Fallot

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Transposition

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Eisenmenger Syndrome

☐ Got it!

☐ Remember it!

☐ Hit the Books!

Check if you feel you have the level of understanding needed to pass your exam

Check if the material triggers underlying memory but you need to review more

Check if you do not recall this subject and you need to relearn the information

## Section 3

### Valve Disorders

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Adult Heart Murmurs

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### MRTAPS

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Aortic Stenosis

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Aortic Regurgitation

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Mitral Stenosis

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Mitral Regurgitation

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Mitral Valve Prolapse

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

#### Tricuspid Stenosis

☐ Got it!  
☐ Remember it!  
☐ Hit the Books!

Check if you feel you have the level of understanding needed to pass your exam  
Check if the material triggers underlying memory but you need to review more  
Check if you do not recall this subject and you need to relearn the information
