NEWS AND UPDATES

Customer Invoices

We understand that technology can be prone to errors and glitches, which is why we encourage all our customers to review their bills carefully. If you notice any discrepancies or issues, we urge you to call/email us without hesitation so that we can promptly address and rectify your issues!

Thank you for choosing Paulson Pool Cleaners as your trusted service provider, we look forward to continuing to exceed your expectations!!

Water tests

Our team will soon be offering water tests for our customers!

Water tests measure the TDS (Total Dissolved Solids) in your pool, whether it be good or bad let us take care of it!

We want to ensure you are swimming in the best water possible!

Pool & Spa Safety

Triple-digit temps are coming... keep your kids safe with these pool safety tips!

- Schedule Swim Classes!
- Ensure swim floaties are secure and fit properly!
- Designate a water watcher!
- Ensure all gates around your pool lock!
- Stay away from drains and suction openings.
- Swim with a buddy!
- Wear shoes on the hot concrete!
- Protect your skin/eyes!

We recently acquired an office space!
