

# CAPT. MICHAEL WEIDMAN 1<sup>ST</sup> MATE ROCHELLE MILLER

HUSBAND AND WIFE  
TRAINING/DELIVERY TEAM  
**U.S.C.G Licensed 50 Ton Master**

## PROFILE

After many years with successful land-based careers, we decided to move on to pursue our passion for the water. Growing up on the waters of the Chesapeake Bay and later in life finding ourselves living aboard on the pristine waters of Lake Champlain, VT. Over the last several years we started delivering boats and we immediately fell in love. So, we sold it all and motored our floating home south in 2019 to our current home base in Cape Coral, FL. Boat deliveries & trainings are not always easy, but that is what keeps things amazingly interesting. We have the combined knowledge and skills to safely get your vessel to her new port.

We are looking for the opportunity to simply help other boaters enjoy this amazing lifestyle. The simple joy of seeing a happy client is what we strive for. After multiple trips down the Atlantic ICW from New England to the West Coast of Florida and up to Galveston TX, we have realized this is what we are meant to do.

Please Let us know if we can help you in any way...
