

FIRST CHURCH OF CHRIST, SCIENTIST, HYANNIS WARMLY INVITES YOU TO ATTEND OUR
UPCOMING SPRING LECTURE

MARK YOUR CALENDARS – SATURDAY – MAY 16, 2026 – 11:00 AM

“ Healing with joy: discovering the power of Love”

Healing in Christian Science is joyful—it’s the natural result of understanding God as divine Life and Love. Ann Kneeland, a Christian Science practitioner and lecturer, shares real-life examples of spiritual healing. These examples show how fear, illness, and polarization dissolve as we discover God’s pure and spiritual creation. We can all experience joy and freedom through a deeper trust in God's presence and power.
