

**FIRST CHURCH OF CHRIST, SCIENTIST, HYANNIS WILL BE
HOSTING IN THE SPRING
A FREE TALK ON CHRISTIAN SCIENCE
SUNDAY, APRIL 4, 2027 AT 2:00 PM**

**"EFFECTIVE PRAYER: FINDING HEALING AND WHOLENESS IN
DIVINE LOVE"**

**BY BOBBY LEWIS, CS
(A MEMBER OF THE CHRISTIAN SCIENCE BOARD OF
LECTURESHIP)**

This free talk will explore practical and transformative prayer, as taught in Christian Science. Through compelling personal stories, Christian Science practitioner and lecturer Bobby Lewis illustrates how the spiritual laws of divine Love operate- and how prayer brings us into alignment with these laws. Whether you're feeling lost or struggling with illness, effective prayer can restore clarity, peace and wholeness in every area of life.
