PARALIMNI

Paralimni area is situated on the southeastern fringe of Cyprus and blessed with the first sunrise in Europe. Paralimni, the main town, combines the advantages of a traditional village with the conveniences of a contemporary town and there is an air of timelessness in the town center.

Protaras, the tourist area, extends along the eastern coast of Paralimni and stretches for 10km from the district of 'Kapparis' to the location of 'Konnos'. Hundreds of windmills grant its landscape a quaint, tranquil beauty. Fantastic beaches with crystal clear waters are found along this coast, most of them accredited with the prestigious Blue Flag status.

Fig Tree Bay is the most precious gem on this coastal tiara and it is named after the solitary fig tree that has been planted here by eastern invaders in the 17th century. On the headland of the bay one can see the recently revealed, glass-covered Hellenistic tombs. The selection of watersports abounds at these beaches, ranging from skiing and paragliding to snorkeling and scuba diving and the boats wait at the pier to take you on unforgettable trips.

The lengthy seaside promenade is perfect for a sunset stroll or a leisurely bicycle ride offering at the same time the visitor the opportunity to explore further the area. Visit the harbors of Ayia Triada and the picturesque Ayios Nicolaos. Take a nature trail or one of the cycling paths and enjoy seamless view of the sea. Along them you'll discover rare species of flora and fauna and little chapels will greet you betraying the orthodox faith of the place.

Hotels, self-catering apartments, a wide range of restaurants, taverns, pubs and clubs are here to cater for the needs of even the most demanding tourist. Therefore, whether you choose to simply soak up the sun, explore the underwater world or wander in the quaint streets of Paralimni while shopping; visit the Byzantine church of Ayia Anna and the Traditional House or enjoy yourself in a club, once you are in Paralimni a world of choices awaits you!
