## Meet Marybeth

**What is your perfect day in Naples?** An early morning run on the beach, breakfast with my black lab Blue, 18 holes of golf with my husband, and dinner on Third Street South with special friends.

**What is your favorite book?** The Bible. It is the handbook on how to live life to the fullest.

**Who inspires you most in life?** My husband is the kindest soul I know, and the best friend a girl can ask for. When I was young, my father was a Real Estate Broker. He worked very hard during highly challenging times and always went above and beyond for his clients. I aspire to be as kind and hardworking as my husband and father.

**What is your motto?** Live simply. Love generously. Give cheerfully. Work diligently. Leave the rest to God.
