

LMTC All About Me weeks

October 2-13

During All About Me weeks each child will be given a bag to fill with their favorite items, we will send home suggestions at that time. On their day they will bring their bag and have an opportunity to share-and-tell those items with their friends. We will also use the All About Me form that you filled out, to share stories and fun things about them.

It is a wonderful opportunity to get to know our friends, find out that we have things in common and to focus on each amazing child. Here is our schedule for now, it may change a bit, but you will know in advance.
