There is still time!

Save money on your next digital radio purchase. Rebate offers are wrapping up in March, call us (530-406-0700) or email us to place your order and take advantage of the added savings.

Kenwood does not have a current plan to extend rebate offers in 2021, so don't miss out!

Magnetic Microphone Holder

For our mobile radio users-check out the MagMic! Stop struggling to find the microphone clip while your driving. Get your microphone close and let it go, it's so easy!

This item is in stock and available for only \$29.99.

Fleet Maintenance

As we start to clear the winter season and head into a warmer and busier time of year soon, now is a great time to have our service technicians service your vehicles. A broken antenna, water corrosion, a loose connector, is enough to disrupt your ability to communicate.

Refer and Earn Program

Thank you for your referrals! It's real simple: Refer a friend who becomes our customer and we'll send you a check!
