Hang In There!

We recognize the challenges the COVID-19 pandemic has caused for many of our customers. As a small business, we too are navigating new and unexpected territory. Our primary objective at this time is to keep our customers communicating and maintain a reliable network. We have made modifications within our organization to ensure the safety of our customers and staff. We are here for any of your radio needs.

We hope you and your loved ones are remaining healthy and safe. Thank you for your continued business!

Digital Radio Rebates

Kenwood is offering rebates on their most popular digital model radios! If you are thinking about converting to digital radios or need to add to your existing fleet-this may be an offer you want to take advantage of. A minimum order of 5 is needed to qualify and your order must be placed by September 1st. Give us a call or reply to this email for an estimate.
