OUT OF SCHOOL CARE

HELLO AND HAPPY SUMMER BREAK DWA FAMILIES!

We are Discovery Kids Out of School Care! We have been operating multiple childcare facilities in Calgary as Discovery Tots Dayhome and have been specializing in childcare for over 15 years. Discovery Kids is a new and exciting endeavour and we are absolutely thrilled to partner with Delta West Academy for the 2022/2023 school year!

We will be offering care for K - 6 students after school every day until 5:30pm (this includes early dismissal days), as well as care for PD days and spring break from 7:30am to 5:30pm. Students will have time to complete after school homework on a daily basis but also be challenged and stimulated physically and mentally with our play based curriculum. At this time we do not have summer care for 2023 on the docket but will strongly consider the possibility based on parental demand. If you are interested in summer care for next year please let us know!

During PD days and spring break we will keep children occupied with field trips to Telus Spark, the Calgary Zoo and multiple Calgary museums and parks, as well as featuring special in-house guests like Calgary Emergency Services (fire department, police department, EMS), Calgary Public Library, child yoga instructors, dance instructors and so much more!

We will also be working with Healthy Hunger for some of the PD and spring break days so that you don't always have to worry about packing lunches!

Our director, Barbara Wonko B.Ed spent over 10 years as a teacher specializing in grades K-6, not to mention the invaluable experience she gained while raising her own 4 children. She has an unparalleled passion for childcare and is quite literally counting the days until she is able to pour into and enrich the lives of your children next year.

Our fee schedule for next year was sent out in the most recent DWA newsletter and we are now accepting registrations for next year's out of school programming. Please feel free to reach out to us via email at info@discoverykidsosc.ca to secure a space for your child and for any additional information you require.

We are so very much looking forward to meeting all of you and making the 2022/2023 school year the best it can be!

Sincerely,

The Discovery Kids Out of School Care Team
