Hello GFWC-SC Presidents!

Congratulations to those of you recently elected as your club's president for 2024-2026 administration and welcome to those serving another term. What a great time to be leading your club and living the GFWC volunteer spirit.

In this packet you will find some information for you to have a successful club year including a REPORTING & FORMS CHECKLIST with deadlines listed. This is an important tool to keep handy. Also, add the dates to your mobile devices or calendars as reminders. Please share with other club members as appropriate. Failure to meet these deadlines may result in your club being ineligible to receive grants and awards for your members' hard work.

All clubs must submit their reports via email- it is the only format we will accept in 2024-2026. *All GFWC-SC FORMS are accessible via the GFWC-SC.ORG website under forms. They are in a PDF format and will be fillable online. This makes them easy to fill out, download, and email. *All updated forms will be available by **September 30, 2024**.

I ask that you complete the State Statistical Form for each club project even if you don't include a narrative. This will provide valuable information as to what SC clubs are doing. The State Statistical Form is a fillable form for you to complete for each project. You have the option to complete a Narrative Report if you would like and include this with your emailed State Statistical Form. If you need to complete a form to send with a check, please fill it out online, print the form, attach the check, and mail in. We will have a Reporting Workshop via ZOOM prior to reporting so be on the lookout!

I look forward to working with each of you. Please email, text, or call if you have any questions. If I do not know the answer, I will do my best to find it for you. I am here for you and your club. I look forward to reading the wonderful accomplishments your clubs report over the next two years.

In Federation Spirit,

Carrie Zimmerman
