Dear Club President:

The General Federation of Women's Clubs of South Carolina offers scholarships to worthy students across our state. Each club may present one applicant who will share the money in the scholarship fund. The applicant must be a resident of the State of South Carolina and plan to attend a South Carolina school.

A letter of recommendation, signed by the sponsoring club, must accompany the application. Please check to ensure that all required materials are in the packet and mailed to the GFWC-SC Scholarship Chairman:

Juliet Casper  
4115 Friendship Trace  
Little River, SC 29566

Only applications sent to the correct address and postmarked no later than April 1, 2024, will be accepted. You may enclose a self-addressed postcard or send the packet with Delivery Confirmation so that you will know the application has been received.

It is your responsibility to "screen" the applicant based on financial need before submitting the application to the Scholarship Committee. It is also your responsibility to ensure that the five instructions on the application have been completed before the application is submitted.

The amount of the Scholarship is determined by the number of approved applications and the amount of interest on the principal of the Scholarship Fund. The Scholarship winners will be notified of their award after June 30, 2024. The GFWC-SC Treasurer sends the award to the school after receiving the Acceptance Form signed by the winner and the school registrar.

Please return the completed and signed application, including the applicant's letters of reference and transcript, along with your own letter of recommendation to the Scholarship Chairman, postmarked no later than April 1, 2024.

Best wishes from the GFWC-SC Scholarship Trustees.
