

WHO WILL TELL THEIR STORY?

As time goes by, new members join GFWC-SC and valued members leave us a stronger and better organization. But institutional memory fades. Who are the women who went before and left their legacy in the awards that we give? If you ARE one or KNOW one (or more) of these ladies, please take a moment and send your own GFWC bio or any information you may know about any of these ladies to Kathy Hogan at khogan1455@gmail.com. You may either type into this document (it will eventually be available as a fillable PDF online on our website under FORMS) and attach to the email or send in the body of your email. You may also send to: Kathy Hogan, 404 Lake Estates Drive, Chapin SC 29036. I will compile your contributions and provide to GFWC-SC leadership for inclusion in a new WOMEN'S HISTORY section to eventually be posted on our GFWC-SC.org website.
