

Join the Mission: St. Jude Walk/Run to End Childhood Cancer

What is St. Jude Children's Research Hospital?

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Their mission is simple yet profound: **Finding cures. Saving children.**

The St. Jude Promise:

- Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80%
 - Families never receive a bill from St. Jude for treatment, travel, housing or food
 - St. Jude freely shares their discoveries with doctors and scientists worldwide
-

GFWC's Proud Partnership with St. Jude

As members of the General Federation of Women's Clubs, you're part of an incredible legacy of service to children.

GFWC Clubs Making a Difference:

- GFWC clubs nationwide participate in St. Jude Walk/Run events
- Clubwomen have consistently exceeded national fundraising goals since 2016

This partnership perfectly aligns with GFWC's mission of strengthening communities and enhancing lives through volunteer service. When we support St. Jude, we're giving hope to families facing every parent's worst nightmare.

The St. Jude Walk/Run: Your Opportunity to Make a Difference | National St. Jude Walk: September 27, 2025
