2024-2026

Birds are singing, bulbs are peeking, it must be Spring!

As spring arrives, so do reports. Across the state, clubwomen are actively planning fundraisers and completing service projects as we near the close of the club year.

In January, we hosted a highly informative Winter Session via Zoom, where we learned more about our GFWC Affiliate Partner, St. Jude Children's Research Hospital. The session highlighted the far-reaching impact of St. Jude's research, which benefits children fighting cancer everywhere, not only those treated in Memphis. We were also pleased to announce that 22 clubs received a record amount of SCFWC Progress Foundation funding. In addition, we celebrated the federation of a new club, the GFWC Girlfriends Service Book Club, and announced plans to federate three more clubs prior to convention: Palmetto Leadership Club, Palmetto State Past Junior Directors, and even a Juniorette Club.

I have personally enjoyed traveling throughout the state to visit many of our clubs. These visits have been the most rewarding part of my presidency, and I hope to continue supporting clubs through installations and events even after passing the gavel in April.

Planning is well underway for what promises to be a wonderful convention in Myrtle Beach. GFWC International President-elect Wendy Carriker will join us as our special guest. There will be speakers from Sea Haven for Youth and an exciting video presentation from the Women's Suffrage National Monument Foundation. We will vote on our new slate of state officers and confirm elections conducted at district meetings. We'll also vote on proposed bylaw amendments (which complete our two year review), as well as a resolution presented by the GFWC Chapin Woman's Club. If approved, this resolution—supporting key elements of my President's Special Project—will be forwarded to GFWC for consideration at the 2027 International Convention.

On February 21, our LEADS Chairman, Janet Prince, organized another outstanding leadership seminar, LEADS: The Heart of Leadership. Twenty seven clubwomen participated in a full day of leadership development. My sincere thanks to Janet, Norma England (Leadership Chairman), all presenters, and attendees, as well as to the Woman's Club of Cayce for generously hosting us and providing their always warm hospitality.

As a reminder, please submit nominations for Volunteer of the Year, Woman of Distinction, Honor Roll, and Order of the Jessamine. Information for Volunteer of the Year and Woman of Distinction is available in the December 2025 Clubwoman (on our website), and Honor Roll and Order of the Jessamine forms can be found at <https://gfwc-sc.org>.

Please also mark your calendars for March 26, when we will gather at the South Carolina Statehouse for GFWC SC Legislation Day including lunch at Tupelo Honey. For details, contact Legislation and Public Policy Chairman Peggy Aun at auntthemove@gmail.com. We hope for a strong turnout so please consider joining us for this important day.

There is much more to share, but for now, I look forward to seeing you in Myrtle Beach in April, where I can thank you in person for the privilege of serving as your president and where we can celebrate our incoming administration together.

In Federation Love,

Suzanne

Suzanne Carswell
GFWC-SC President

Hello GFWC Sisters,

I hope you and your families stayed warm during our recent snowstorm and that your children and grandchildren were able to step outside, press pause on screens, and embrace the season—building snowmen, making snow angels, and launching joyful snowball fights. My boys certainly did, their laughter was a spark of delight in our home.

I look forward to reading reports and seeing which clubs shine as the blue flame, torch, and glowing embers among us—igniting service and community impact across South Carolina.

As my time serving as South Carolina Junior Director nears its close, I hope the Junior Special Project remains emblazoned on your hearts as you interact with the young minds in your communities. These moments of encouragement and leadership help kindle a fire that will grow in years to come.

I know she will do wonderful things for South Carolina as she serves alongside Courtney Evans, keeping the flame of service burning brightly.

Message From

Kaye Jones, GFWC SC President-elect

I cannot believe these two years are almost over! I have so enjoyed being your First Vice President – you have all impressed me with all you do for our communities and state.

Now is the time to shine though. I hope all of you have reported your club work as this provides an important historical for the future. As our International President Suellen Brazil said recently,

“Every report is a chapter of our story. Let’s tell it boldly!”

ATTENTION CLUB PRESIDENTS! One thing you can do to honor and preserve the history of your club is to present Service Anniversary Pins to your members hitting milestones.

We would love to be able to award 25, 50, 70 & 75 year milestone anniversaries at our convention in April. Please contact Kaye Jones, President-elect/Membership Chairman, with requests for your club members’ anniversary pins. Pins are available in 5 year increments from 15 to 75 years. Pins are \$5 each. GFWC-SC will pay for the 25 year pin and GFWC will pay for the 50 and 75 year pins. Please bring your payment for the pins ordered to convention and give to me.

Email Kaye at kayegfwcsc@aol.com by March 20, 2026 your service anniversary members so that the pins can be ordered. They will be presented at our April Convention.

I look forward to seeing many of you at our 2026 Annual Convention April 17-19 at the Marina Inn at Grand Dunes in Myrtle Beach!

In Federation Love,

Kaye

Attention Club Presidents or Membership Chair

Don’t forget to send in the GFWC 2024-2026 Membership **“EDUCATE, ENGAGE, & EMPOWER RECRUITMENT CAMPAIGN REPORT”** for new club members. Please report to GFWC any new club members in the last quarter (or any you have missed in 2025) by April 1. The final deadline for this administration is July 1. By sending this to GFWC, your new members are added to the federation totals and start receiving information from GFWC. If you have any questions, please contact Kaye Jones, Membership Chairs.

Message From

Carrie Zimmerman, GFWC SC Second Vice President

As your 2nd Vice President one of the main jobs is reporting. Reporting allows clubs to describe their impact that they make on their communities! We have had a lot of clubs that have taken advantage of this opportunity and even won awards at the GFWC International convention!

State and district reports are due March 15. In the December Clubwoman the directions are posted inside! Open it up from your email and learn all about the fun ways to capture your clubs' achievements!

I would like to thank our chairman for their assistance in making reporting manageable. With their help in judging our awesome State reports we can showcase our State at the GFWC level!

Some highlighted reports that clubs still have time include the GFWC Writing and Photography contests, Honor Roll, Order of the Jessamine, Jeanie Award, Volunteer of the Year, Woman of Distinction, and many more. Please look in the December Clubwoman!

This administration has been amazing! I want to thank President Carswell for her wonderful leadership and attention to detail! I have enjoyed representing our State as the Second Vice President and cannot wait to see you all at the convention in April!

In Federation Love,

Carrie

Message From

Katie Whitten, GFWC-SC Treasurer

As I transition into my role as Treasurer for GFWC-SC, the past several months have been dedicated to collecting, recording, and reporting club dues. I appreciate all members who submitted payments promptly. I am eager to learn how recipients of Progress Foundation grants will utilize their awards.

With spring underway, many clubs are beginning to prepare budgets for the upcoming year. While this process may vary among clubs, establishing a robust annual operating budget offers significant advantages.

A carefully developed budget promotes financial stability and supports the achievement of organizational objectives. It enables prudent resource management and informed spending decisions. Additionally, an effective budget assists club leadership in monitoring income and expenditures, prioritizing initiatives aligned with the club's mission, and mitigating the risk of financial shortfalls.

For those unfamiliar with the budgeting process, I recommend utilizing the GFWC Learning Academy's resources. The Financial Fundamentals section includes a course on Building Effective Club Budgets that may be beneficial.

I look forward to seeing everyone at the Convention in Myrtle Beach, where, on behalf of the Finance Committee, I will present the proposed 2026-2027 GFWC-SC budget.

In Federation Love,

Katie

Happy New Year! I hope your New Year is off to a great start. I got a chance to see many of you at the Stocking Extravaganza in December. I hope you enjoyed the food, fun and fellowship. It is always THE event that starts off my Christmas holiday.

Due to inclement weather, we had Winter Board via Zoom. It was very informative and there was a great turnout.

As a reminder, if you give a report at any GFWC-SC meeting, please either bring an extra copy for me or email me a copy at khunke@aol.com.

Looking forward to seeing you in Myrtle Beach in April.

GFWC SC LEADS

LEADS 2026 -- The Heart of Leadership was held on Saturday, February 21st to a room full of eager club leaders from across the state. We had 25 attendees and 14 leaders there presenting and showing their support! It was a highly successful day and one that offered the attendees a look behind the scenes of what club and state leaders are responsible for throughout the year. They learned how to write a resolution and all about by-laws. They also learned how to approach their state and local representatives through a presentation on Legislative & Public Policy. Plus, Strategic Planning, Succession Planning, Mentoring, Reporting, History of Clubs and Branding & Social Media. The speakers were outstanding and are willing to help not only our LEADS candidates, but anyone else interested in improving their leadership skills. We would like to thank the Woman's Club of Cayce for once again allowing us to use their clubhouse!

GFWC SC Resolutions Committee

The Resolution for the Support for Native Plants and Biodiversity has been submitted by the GFWC Chapin Woman's Club for consideration and approval.

GFWC-SC Environment and Support for Native Plants and Biodiversity

Whereas, native plants are indigenous species that have evolved alongside native wildlife and occur naturally in specific geographic regions, ecosystems, and habitats; and

Whereas, native plants play a vital role in maintaining healthy, diverse, and sustainable ecosystems by cleaning the air, filtering water, and stabilizing soils; and

Whereas, native plants are uniquely adapted to the, climate, and environmental conditions of the United States, making them ideal for conserving natural resources and promoting ecological resilience; and

Whereas, native plants provide essential food sources—such as nectar, pollen, seeds, and foliage—for native birds, caterpillars, butterflies, bees, and other wildlife, in ways non-native plants cannot; and

Whereas, The United States is home to an impressive diversity of native plants: approximately 18,800 species of native plants such as trees, shrubs, wildflowers, grasses; and

Whereas, 940 plant species are officially listed as either endangered or threatened under the Endangered Species act of 1973. This represents approximately 11% of the 18, 800 United States native plant species.

Whereas, increasing public awareness about the importance of native plants supports pollinator populations, strengthens biodiversity, contributes to economic sustainability, and safeguards the United States ecological heritage;

Resolved, that the General Federation of Women's Clubs urges its members to promote the use and conservation of native plants by supporting community education, advocating for native plant landscaping, removing invasive non-native species, and participating in restoration and preservation efforts to protect the biodiversity and environmental health of the United States

GFWC Signature Program

As your signature program chair and a member of the SC Human Trafficking Task Force, I wanted to share two important things with you.

1. The South Carolina Attorney General's Office released a 114-page report today that details the extent of known human trafficking throughout the state in 2025 and what agencies and groups are doing to combat it. In 2025, the South Carolina Law Enforcement Division investigated 315 tips that included over 300 potential victims. A majority of the tips investigated involved minor victims. Nine counties saw double-digit investigation numbers. Greenville County topped off the list with 35 investigations in 2025, and it was joined by Berkeley, Charleston, Richland, Lexington, Dorchester, Spartanburg, Horry and Anderson counties in having more than 10 investigations.

National Human Trafficking Hotline data was not included this year due to an operator transition. I'm providing a link to the report should you want to check specifics for your area of the state. Here is the link to this year's annual report. https://www.scag.gov/media/btihjcor/2025annualreport_1-9-26.pdf

2. The Governor signed a proclamation for Human Trafficking Awareness Month, see page 11.

Please remind your club members; to report an incident or seek victim services, they can call the National Human Trafficking Hotline at 888-373-7888. The Hotline is confidential and open 24 hours a day, 7 days a week.

State of South Carolina

Governor's Proclamation

WHEREAS, human trafficking is a crime against humanity that negatively impacts millions of lives worldwide, including throughout the United States and South Carolina; and

WHEREAS, victims of human trafficking, including children, youth, and adults, face unimaginable hardships including the loss of their dignity, freedom, and basic rights through commercial sexual exploitation, debt bondage, involuntary servitude, forced labor, and other forms of exploitation; and

WHEREAS, the State of South Carolina is committed to advocating for the wellbeing of all its residents by protecting the vulnerable through prevention education and awareness as well as continued efforts to support victims, investigate cases, and prosecute traffickers; and

WHEREAS, South Carolina is committed to partnering with regional and national allies to strengthen our efforts toward the elimination of human trafficking and its traumatic impact on our communities; and

WHEREAS, the statewide Human Trafficking Task Force works to support the efforts of South Carolina stakeholders, including regional task forces and community advocates, and guide the strategic approach to combat this crime; and

WHEREAS, this year's observance of Human Trafficking Awareness Month affirms South Carolina's commitment to individual freedoms and the elimination of human trafficking in all its oppressive forms.

NOW, THEREFORE, I, Henry Dargan McMaster, Governor of the great State of South Carolina, do hereby proclaim January 2026 as

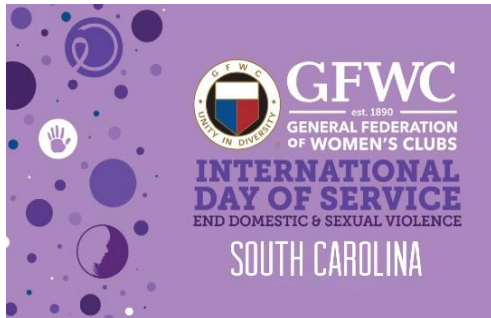

HUMAN TRAFFICKING AWARENESS MONTH

throughout the state and encourage all South Carolinians to recognize the vital role each person has in the prevention of human trafficking as well as the power of our collective efforts in ending this crime in our communities.

Congratulations! “job well done” for the vital work you did in so many creative and meaningful ways during the 2025 GFWC International Day of Service.

You truly came together to address Domestic Violence in all its forms.

As your chair for the 2025 International Day of Service, I would like to encourage you to **“Save The Date”** and begin planning and getting excited for the **2026 International Day of Service**, scheduled for **Saturday, September 26th**, the focus is the same, to help end domestic and sexual violence across the United States and internationally. - Get club members involved, actively recruit them to participate
- Ask all club members to invite a friend (not a current member) to join in your plans
- Reach out to local community leaders to support your club activity. For example, Mayor, Local Businesses, Schools, Churches, etc.
- Work with your City Hall to create a Proclamation
- Keep your club members updated and involved by generating excitement about what you are doing
- Develop promotional materials and signage to engage your local community
- Reach out to community media/press (many cities have a Public Information Officer)
- Use Social Media, GFWC-SC, and your own Facebook page to promote your event

I’m praying each of our clubs have nothing but success for your 2026 International Day of Service! Permit me a moment to thank President Suzanne Carswell for giving me the opportunity to serve South Carolina as Chair of the 2025 International Day of Service and to Chair the 2024-2026 GFWC’s Signature Program: Domestic Violence Awareness & Prevention.

Thank you for your enlightening reports and in-depth statistics in the Health and Wellness CSP area. I am so impressed with the many areas of Health and Wellness that you have worked in during the past year. Please keep up the good work.

I am off again this year to participate in the 2026 Advocacy Summit Training in Washington, DC. I feel very honored to be a part of this global health group with Shot@life and United to Beat Malaria. We will be training to meet with our Senators and Congressional Representatives seeking support for these worthwhile endeavors. As you know, South Carolina has an alarming measles outbreak. Please be supportive of vaccinations to curb this outbreak.

Please be mindful of your diet - eating protein, fruits, and vegetables. Superfoods are nutrient-dense foods like berries, leafy greens, salmon, nuts, seeds, and avocados. These foods are packed with antioxidants, vitamins, minerals, fiber, and healthy fats. Don't forget to get out and get some good old Vitamin D - sunshine is free - as is walking. Find a walking partner and enjoy friendship and fellowship.

Volunteering is something I have done most of my life. When I moved to SC volunteerism was a way for me to meet new people and make new friends. I volunteered in my community and found a local club within a few years in Walhalla, SC.

My history with GFWC-SC started when friend, Sandra Mattox, a founding member of WJWC, brought me to a meeting of WJWC in 2007 and I was hooked. I chaired programs and served in all executive positions in WJWC. WJWC de-federated in 2018, but I joined Seneca Junior Woman's Club and currently serve as Secretary.

On the GFWC-SC State level, I have served as a District President from 2013-2016 and represented GFWC-SC as the LEAD's candidate in 2015. GFWC-SC elected me as Junior Director-Elect and served from 2015-2018. I became Director of Junior Clubs of GFWC-SC from 2018-2020, serving with past President, Juliet Casper. I served as GFWC-SC Treasurer from 2020-2024 and now am the current 2nd Vice President of GFWC-SC.

Memorial Service During Convention

Reminder

Each year during our GFWC-South Carolina Convention, we set aside time to honor and remember GFWC-SC “Sisters” who died during the previous year. Our Memorial Service will be on Saturday Morning, April 18 at the conclusion of our Business Session.

Please send our GFWC-SC Chaplain, Susan Lee, the names of any Club members who died since our last convention by April 1, 2026. Please list the deceased members name, and brief information about the deceased member (number of years she was a member of the club, honors she received, offices held, committees or projects that were special to her, etc.) email susank311@outlook.com.

Inspiration

There’s something powerful about the moment new officers are elected or leadership shifts.

It’s more than a change in titles — it’s a signal of trust. Trust in fresh perspective. Trust in steady hands. Trust in the future of the organization.

Leadership transitions remind us that no role is owned; it’s stewarded. Each person brings new energy, different strengths, and a unique lens. That infusion can reignite purpose, sharpen focus, and challenge us to grow in ways we didn’t anticipate.

Change in leadership isn’t a disruption — it’s renewal. The most resilient organizations aren’t the ones that avoid change. They’re the ones that embrace it with gratitude for what has been and optimism for what’s ahead.

New officers mean new opportunity. As our current leaders prepare for the changing of the guard, let’s celebrate them and the accomplishments of the last two years. We are grateful for their stewardship of our amazing State Federation and for all of the women who continue to lead with grace and vision.

Susan Lee, GFWC South Carolina Chaplain

Earthsong

Our ancient sky shimmers red near dawn,
An iridescent sentinel of unfurled wonder.
Dew crystals crest, awakening life,
Sprouting warm grass, budding furry blooms.
Nest music chatters, choruses ring from tree to tree,
Pulsing joy, hunger, greetings, delight.
Our land lifts to its blue ceiling, heavy with scent,
Touching lichen clouds, curled like kittens.
Calm wild rhythm, unending stanzas hold the notes.

Janet R. Smalley, GFWC SC Poet Laureate
