

GFWC LEGISLATION/PUBLIC POLICY Advancement Plan

Legislative Ladder

GFWC clubs are challenged to “step up” to **EDUCATE, ENGAGE, EMPOWER** through the concrete steps of the Legislative Ladder. The Legislative Ladder will help guide your club through steps to increase knowledge and participation in advocacy efforts. Steps do not need to be completed sequentially. Individual steps may be reported only once each reporting year but may be completed multiple times during the club year. The point values identified for each step is the total that may be accumulated annually. *This entry form may be submitted **only** by individual clubs.* All information to complete and send the form may be found on the entry form found in the Member Portal (home page, scroll down to the Legislation/Public Policy section), or a printable copy is located in the Club Manual on page 170.

Clubs that report 35 points or more will be recognized at the GFWC Annual Convention.

Legislative Day

We are planning to visit the SC legislature on March 13, 2025. Please put this on your calendar now. It will be a fun and informative day! I challenge each club to send at least one club member to this special event. This will be an opportunity to **Raise Our United Voices!**

I look forward to working with each of you! Please contact me with any questions.
