14. INTERVIEW

We interviewed a student at Encore. Find out what they had to say.

ABOUT

Aiming to inspire

Encore is a Charity theatre school based in East Kilbride, providing a range of part-time performing arts classes and workshops for children, young people and adults. Our award-winning academy has a reputation for excellence, with our graduates progressing to world-renowned performing arts institutions.

Dedicated to development

Founded in 2013, our aim is to inspire our students to achieve their potential in performance, through learning from our excellent teachers and industry mentors in a safe and nurturing environment at Encore Studios.

Performance & Confidence

Productions in the theatre is what we do best! With 11 years under our belt and nearly 20 Theatre Productions as well as performances in Londons West End and America we aim to give as many opportunities as possible. And whilst attending classes, we aspire to improve each students confidence in themselves and to increase social skills, reading, writing, creative thinking and so much more.

THE ERA OF ROCK

The first half of 2024 was all based around Rock N Roll, and a great 80's vibe, with our School of Rock and Wedding Singer productions. During this time, we introduced new genres of Music into students lives as well as start to introduce Instruments and teaching Guitar. Getting band practice opportunities with a great local rock band. Performing in King Tuts and bringing in working to camera and using professional mics, in classes.

NEW PRICES

Since 2013 Encore has attempted in every way possible to absorb inflation. Way back then our MT class was £20 per month, and in 11 years it has raised by £5.

We have consulted with some parents and committee members to agree from August 2024 Encore's prices will need to adjust to meet the current financial requirements. (Performance class and Adult class will change from 1st December)

If you were attending a mid week MT class at £25 and your now £35 that is an increase of £1.25 per hour. The price list has been shown to the right, and confirms the new price structure.

Even with these new prices Encore are still offering a substantial service in professional studios, cheaper than 95% of all alternative services

NEW PRICES

Some classes such as TV & Film and the MT Choir have remained the same, as these are new classes and were already taking on the new structure.

Encore will adjust the standing orders automatically for August 1st, and you will receive an email confirmation via Class4Kids confirming the new monthly amount.

We will not look to make any further adjustments for at least 18 months and wont change anything unless absolutely necessary.

Please note Show fees will not be changing after already changing in 2023.

JOINING FEE

As you know Encore has a 1 payment month notice when leaving. Meaning when you inform us that you or your child will be leaving, you still have one payment to make. Due to some people making this difficult and causing more admin.

We will introduce a Joining fee per class from June. This will be the cost of the months class. This only affects new students or students joining a new class.

E.G After your trial, pay £35 when you book term followed by normal monthly standing order on 1st of each month of £35.

For all new students paying this, there will be no notice period required. (This does not affect performance class as you are required to pay the full course)

Notice period still required for existing students.

AWARDS 2024

Due to our every growing academy, we are taking the Awards Night out of EK for the first time. Last year we packed out the Holiday Inn which holds the most people in EK and this was only a fraction of our School.

We will be holding out Show & Awards night in the fantastic Radisson Blu in Glasgow on Sunday 15th December from 5pm. An earlier start will allow people to get earlier transport home, it's right next to central station and the Hotel have confirmed they will offer discounts on rooms for those wanting to stay the night.

As this will be the biggest event we have held we want to make it special and will start working on special performances for this event from August! Musical themed performances, solo singing, and much more.

We hope with the longer notice period this helps when it comes to arranging transport etc. Tickets are £15 per person, and students are required to purchase a ticket.

Majority of proceeds are going to the Room Hire. (Please note it is tables of ten max) Please let us know the number of tickets you require by 1st July. Tickets can be purchased anytime on our website.
