

Nature Bliss by KAP Imports & Exports

**'Nature's best, exported with excellence'**

Welcome to KAP Imports and Exports , your trusted partner in the export of premium agricultural food products. We are a partnership firm with its registered office in Chandigarh.

With a commitment to quality, sustainability, and authenticity, we specialize in delivering the finest spices, aromatic rice, nutritious makhana, and a variety of other agricultural goods to international markets.

Our firm is dedicated to sourcing from trusted channel partners , ensuring freshness, purity, and compliance with global standards. Whether it's the bold flavours of Indian spices, the superior grains of basmati rice, or the health-packed makhana, we bring the richness of nature to tables across the world.

Backed by strong supply chain management and ethical sourcing practices, we ensure seamless logistics and hassle-free trade. At KAP Imports and Exports , we believe that food is more than just sustenance—it's tradition, culture, and an experience.

Partner with us for high-quality, authentic agricultural products and let's build a thriving global marketplace together!

We are DGFT registered merchant exporter having IEC code, APEDA and SPICE board registration.

All our products are exported under our registered trade mark: **NATURE BLISS™- PURE AND NATURAL.**  
**("Nature Bliss – Bringing Farm-Fresh Purity to Global Tables. ")**

## **Reasons for choosing us-**

- Superior Quality & Authenticity**

Ensure that the spices, rice, makhana, and other agricultural products are sourced from trusted partners , processed with the highest safety and health standards, and maintain their natural flavours and nutrients.

- Custom Packaging & Private Label Options**

Offer tailored packaging solutions based on international requirements, including bulk shipments or customized branding for retailers who want their own private-label product. We use modern grinding and packaging technique to maintain its freshness and aroma.

- Competitive Pricing & Supply Chain Efficiency**

Ensure that our firm provides the best value through optimized logistics, cost-effective sourcing, and streamlined operations. Efficient handling, fast deliveries, and strong supply chain management make a big difference.

- Collaborative approach**

We believe in our customers as our partners , and like to forge a bond with them which is built on trust and mutual growth .

**Our belief is bringing- "Spices, Rice, Makhana – The Essence of India in Every Bite." to the rest of the world**

## **Vision Statement**

"To be a globally recognized leader in agricultural food exports, delivering authentic, high-quality spices, rice, makhana, and other natural products while fostering sustainability, innovation, and strong partnerships across international markets."

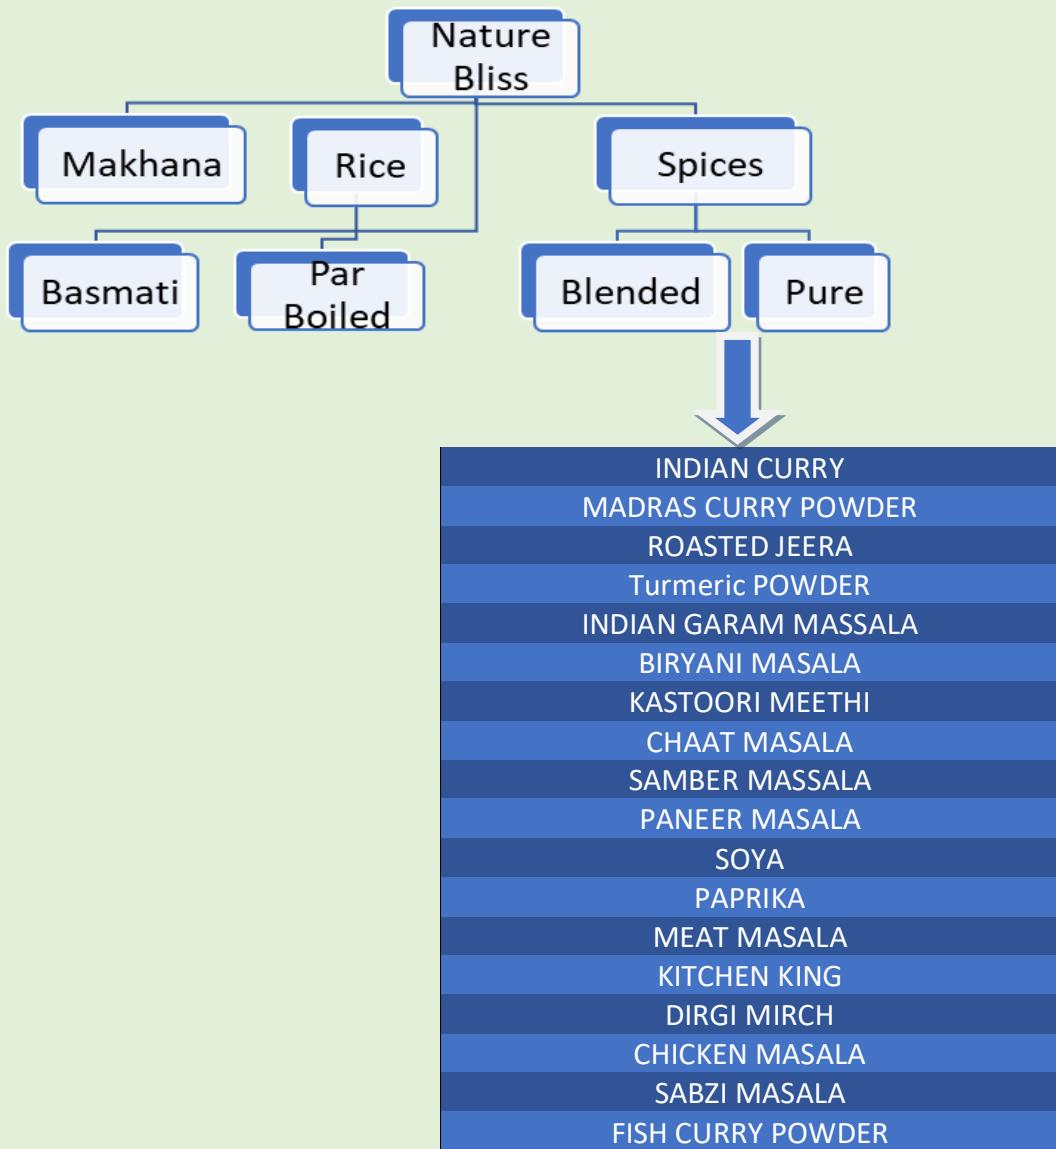

## Core Values -

**Authenticity:** Sourcing premium spices, rice, makhana, and agricultural products straight from trusted channel partners

**Quality & Purity:** Ensuring freshness and superior standards in every export

**Tradition Meets Innovation:** Combining traditional food heritage with modern global trade

5th October 2019.

Recommendation for KAP Import and Exports.

Dear Sir/Madam,

This is to certify that Sat Wahe Company Limited has been a customer of KAP Import and Exports for over two (2) years. During this time my company purchased Nature Bliss Basmati and Brown Rice as well as a wide range of Nature Bliss Spices .

During this time we have had no problems doing business with KAP Import and Exports and I have no hesitation in recommending them as sound business partners. For any further information feel free to contact Ms. Vashti Paray at 1-868-717-7443 or email [satwahecompanylimited@gmail.com](mailto:satwahecompanylimited@gmail.com)

Respectfully,

Vashti Paray
