*Leave your home in good hands with Sunshine Sentry -
your premier Home Watch company in Southwest Florida*

WE PROVIDE PEACE OF MIND WHILE YOU'RE AWAY

Home Watch is defined as “a visual inspection looking for obvious issues.” We systematically review items known to cause trouble, helping you mitigate damage before it becomes a disaster.

Weekly visits are most popular but we also offer **bi-weekly** and **once-monthly** plans.

What to expect

- A customized checklist with images after each visit.
- Your own client portal to keep track of reports, emails, and invoices.
- Concierge Services like meeting vendors, picking up groceries, handyman, housekeeping, and more!
- Reliable service - every time.
- We bill monthly and accept all major credit cards, ACH, Venmo, Paypal, and Zelle.

MEET SUNSHINE SENTRY

We bring **decades of experience** in property maintenance, repair, and project management, along with **consistent and reliable** service. More than just a friendly neighbor, we follow strict standards for a thorough visit every time.

We are family owned and your satisfaction matters to us.

Florida does not regulate the Home Watch industry. As NHTA members, you can rest assured you are in good hands.

Don't risk your investment on a “hobby home watcher”! Sunshine Sentry is a Florida-registered LLC, bonded, insured, and accredited.
