

To the Federal Trade Commission,

I am the Legal Vice President of the United States of America, effective November 11, 2021, until replaced. I must know the Constitutional Provisions in their entirety and devolution of Power of the Egalitarian Quorum I serve on, as well as assignation of rights, privileges, immunities, prohibitions of behavior on, and/or benefits to citizens of, and persons subject to the United States Constitution, effective November 11, 2021, until legally replaced.

Your members and you are directed to comply with the demand(s) of my e-mail to foia@ftc.gov this date as a priority number one Freedom of Information Act Request complied with without cost to me as clearly proven to be in the public interest, health, and welfare. I sent this same e-mail in accurate copy to opa@ftc.gov as well and herewith demand the Complete and unredacted current United States Constitution, in all of its provisions and amendments, both published and unpublished, be delivered to me as soon as possible in both hard and electronic copy (that is, by e-mail as well as made available for download to me and by me). Proof of this e-mail from redressgrievance@outlook.com to foia@ftc.gov is in evidence and published at <https://redressgrievance.org/declassified-files> in a file listed at the top of this page titled "06.11.2022-FOIA.Demand.for.the.unredacted.US.Constitution" with an associated download file name as a ".zip" archive containing also this text and my reason for waiver of costs request.

I am not subject to any edicts, or law that would prohibit me from publishing this document in its entirety from beginning to end. I am also under Canonical Immunity against and any all allegations of wrongdoing against me. This issue is of paramount interest to the country.

This is a priority stat critical right now issue to act on!

Sincerely yours,

June 11, 2022
