

## **Preliminary Conclusions**

- 1.) [redacted]
- 2.) [redacted]
- 3.) NATO will be more stable and secure, and assure nuclear non-proliferation also by this plan,

IT IS RESOLVED:

## **The Southern Putsch**

- 1.) Ally Brazil, and possibly Nicaragua with the Kurds in Syria against Bashar al-Assad with an eye to placing a permanent Brazilian base in Syria post Assad. Ouster Assad and install a free Syrian government
- 2.) Ally Al-Nusra, the Free Syrian Army, and potentially also al-Qaeda in Syria and any other "Kurdi Militia" the Kurds command the allegiance of in the Southern Putsch
  - a. It is a war zone and therefore anyone that is anti-Kurd will be quietly killed off summarily as a collateral loss
- 3.) The NATO Member States will unanimously agree to enter a ground war on the side of the Brazilian-Kurdish alliance in the event Russia engages in a ground war backing Assad in Syria against us in renege on this treaty
  - a.) In this event Assad may ouster voluntarily to a comfortable prison cell and say "at least the Kurds have some claim to war, these Russian invaders are foreign and have no business here" which also condemns Russia in the event of renege
- 4.) Install an internationally recognized and independent Free Syrian Government in Damascus post-Assad as designed by the Kurds in Syria
- 5.) The Kurds will deny territorial ambition in Turkey; keep the PKK on the FTO; and agree to label as a terrorist any person who would fight against the territorial integrity of Turkey, preferring the Southern Putsch
- 6.) Sell or give NATO arms and medical supplies and aid to the Kurdish alliance

## **Dividing The Axis of Evil**

- 7.) Develop a coalition consisting of Saudia-Arabia, Israel, the UAE, NATO, Iraq and Afghanistan, and potentially also others to politically, diplomatically, and militarily negate Iran to the end of total and permanent denuclearization and demilitarization of Iran, alternatively to ouster the Iranian government and install anew
  - a.) Also as a preliminary, all NATO member states will agree by at least 2/3 majority to engage in this coalition with the full support of NATO military might anytime within the next 8 years, presumably after the Southern Putsch

## **Supporting Israel**

- 8.) Israel by its own contention has three-times more freshwater supply than it anticipates needing for its own purposes over the next ca. 1200 years and Egypt, who legitimately owns Sinai, needs freshwater
- 9.) Israel will agree to provide freshwater to Egypt at cost in exchange for the perpetual lease of the Sinai Peninsula to Israel as long as the water shall be provided, at cost, or for the next 1200 years (i.e. a 1200 year lease of the Sinai Peninsula)
- 10.) Upon lease, the Israeli army in a 6 month operation will systematically and efficiently eliminate every man, woman and child Palestinian in Sinai, the West Bank, and the Gaza Strip as they are all terrorists
- 11.) The United States, China, Russia, France, and Britain will agree to neither sanction nor condemn this genocide at the UN, and support a complete international cover-up and the continued international cover-up of the Russian genocide

### **NATO in Asia**

- 12.) All NATO Member States will unanimously agree to formally recognize “those islands” in the East China Sea as Chinese, currently contested by Japan, potentially under the guise of China will stop lending to USA and NATO Member States if NATO doesn’t
- 13.) “To the victor, the spoils”, making this the conclusion of WW2 for China

### **Russian Concedes And Gains**

Russia will agree, before Yahweh and the world, to:

- 1.) Negotiate a delayed penalty for inclusive improvements in their home society within the territorial integrity of Russia, more generally across the Russian Federation
  - a. The international community will continue to cover-up the 50+ million man genocide underway in Russia under the American doctrine of “your country, your law”
  - b. Russia will allow e.g. Mossad to evacuate Jews to Israel on humanitarian grounds, where Mossad is solely in Russia for this purpose
  - c. Russia will agree to a policy of religious tolerance and social inclusion moving forward under threat of twice-the-wrath of Yahweh for failure
- 2.) No meddling in Syria i.e. neither ground war nor direct or proxy interference or aid backing Assad in Syria
- 3.) No meddling in Iran, i.e. neither ground war nor direct or proxy interference or aid in the coming Iranian conflict
- 4.) Russia will specifically agree to not enter any NATO (or OPEC) supported affair in this agreement by proxy through e.g. North Korea or Venezuela or any other nation
- 5.) Russia will agree to not further arm North Korea in any way, declining all but humanitarian and peaceful diplomatic missions to it, and any other potential proxy
- 6.) Russia will formally recognize the Chinese Islands in the East China Sea as Chinese, not Japanese

- 7.) Russia will agree to not condemn or sanction Israel (either in the security council or on the floor) at the United Nations for any of its internal affairs, supporting the global cover-up of the efficient murder of every Palestinian in Israel
- 8.) Russia gains formal recognition of Crimea as Russia-proper, and the People's Republics of Donetsk and Luhansk as part of the Russian federation and officially sanctioned by the United Nations and Yahweh
- 9.) Russia resolves it denies any further territorial ambition ever under threat of twice-the-wrath of Yahweh
- 10.) Russia will agree to provide energy to the European Union and China
- 11.) Russia will finally agree to stop its nuclear proliferation
- 12.) Russia will agree to remove nuclear weapons from the western hemisphere (e.g. out of Honduras)
- 13.) Russia will agree to remove the bounty from NATO and any NATO allied soldiers heads in Afghanistan
- 14.) Russia will agree to not meddle in OPEC Member Venezuela's affairs

### **The New Ukraine**

- 1.) NATO Member States unanimously agree that the only importance of Ukraine is for energy to Western Europe and resolve to formally recognize the foregoing at the United Nations

### **The Almighty**

- 1.) Yahweh formally recognizes Crimea as Russia-proper
- 2.) Yahweh formally approves of the People's Republics of Luhansk and Donetsk
- 3.) Yahweh formally approves of the labeling of every Palestinian in the expanded Israel as a terrorist, having formally commanded them all be efficiently murdered in bond
- 4.) Yahweh formally recognizes "those islands" in the East China Sea as Chinese
- 5.) Yahweh does "not yet" sanction the renaming of Saudia-Arabia as "The Saudia"
- 6.) It is the final bond of Yahweh that Russia will suffer twice-the-wrath it's currently facing by him (which is also supported by the global community) in the event Russia reneges on this treaty
- 7.) This plan is by final bond of Yahweh "a phenomenal plan", supporting nuclear deterrence and prevention for NATO and the global community over the next at least 100-200 years
- 8.) In the final bond of Yahweh, this plan is "known or certainly believed" to support nuclear deterrence and prevention globally for the next 100 years and "certainly believed or reasonably believed" to do same over the next 200 years.
- 9.) Yahweh approves of Israel joining NATO inside the next 10 years

### **Contingency Upon Renege**

- 1.) In the event world war breaks out it is assured in most instances, and incredibly likely in the remaining fewer instances, NATO will have at least 2 allies in south and central America which is traditionally considered unwinnable territory in any global conflict (namely Brazil and Nicaragua)

### **Instant Action to These Ends**

- 1.) NATO Member States, as not condemned by OPEC (the Saudi), will support pro-American democracy in Venezuela instantly
- 2.) Gain international support for NATO and OPEC to these ends diplomatically
- 3.) Consult with Kurdish political and military commanders
