SUSAN Y. SOONG  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

October 22, 2015

Hon. Sallie Kim

Box 36060  
San Francisco, CA 94102

Dear Judge Kim:

I am plaintiff in 15-CV-04266 captioned Blatt v. Unknown named agents of Google Inc. I am writing to inform the Court that I am abandoning the action and all its claims. I came to this decision after carefully considering the Opinion of the Court in Philadelphia and in light of the fact that the forum selection clause which J. Joyner held operable works an abominable injustice from my point of view. I simply cannot litigate in California as an impoverished Pennsylvanian.

Further, it is un-American that I can be so horribly criminally victimized, know who the perpetrator is, and have absolutely no remedy to redress the wrong, which is the legal environment of my case.

Respectfully Submitted,

  
James A. Blatt
