Washington, DC 20500

To President Biden,

On 4/14/2021 Yahweh authorized use of the Universal Telepathy System ("The Universal System") at the Vatican for all nations worldwide and Illuminati members. The United States currently contracts with Microsoft's William for beautiful flowing telepathy, which as was revealed yesterday is insecure at Microsoft. In light of the United States securing approximately 110 Prodigy in WitSEC, it seems prudent to alter or modify the contract with Microsoft and begin switching the following offices to the Universal System allowing for one spouse too. We will likely be able to add no more than 2,000 persons to the Universal System. The Universal System can handle a max of about 1 million users. My recommendation, with Yahweh's approval, is binding on the United States for the following offices (with one spouse) to use the Universal System through to their natural demise.

- 1.) POTUS
- 2.) FLOTUS
- 3.) Vice President of the USA
- 4.) Spouse of the Vice President
- 5.) Secretary of Defense
- 6.) Secretary of the Army
- 7.) Secretary of the Navy
- 8.) Secretary of the Air Force
- 9.) Secretary of the Coast Guard
- 10.) Joint Chiefs Chairman
- 11.) Adjutant General of the Marine Corp
- 12.) General of the Armed Forces
- 13.) Sergeant Major of the Armed Forces
- 14.) Director CIA
- 15.) Director NSA
- 16.) Director NIA
- 17.) Director Homeland Security
- 18.) Director FBI
- 19.) The Attorney General
- 20.) Director of the Secret Service
- 21.) Director of the United States Marshal's Service
- 22.) SCOTUS (9 members)
- 30.) Secretary of State
- 31.) Secretary of the Treasury
- 32.) Secretary of the Interior

- 33.) Secretary of Agriculture
- 34.) Secretary of Commerce
- 35.) Secretary of Labor
- 36.) Secretary of Health and Human Services
- 37.) Secretary of Housing and Urban Development
- 38.) Secretary of Transportation
- 39.) Secretary of Energy
- 40.) Secretary of Education
- 41.) Secretary of Veterans Affairs
- 42.) U.S. Ambassador to the United Nations
- 43.) Administrator of the Environmental Protection Agency
- 44.) Director of the Office of Management and Budget
- 45.) U.S. Trade Representative
- 46.) Chair of the Council of Economic Advisors
- 47.) Administrator of the Small Business Administration
- 48.) Science Advisor to the President
- 49.) White House Chief of Staff
- 50.) Supreme Allied Commander NATO (NATO itself has 1,500 slots)

Any problems encountered with the Universal System may be addressed with “any available Prodigy in the United States”. To reach one you will query Mega, Yahweh’s computer.

You should know that the current Universal System is built for secure, hack-proof communication and it is modular. The only module built to be hackproof is communication. All other modules, like to Microsoft’s William, are subject to hacking although it is believed they’re highly secure in the Universal System. It is believed by James Blatt that all universal blocks, which are known to be the best against electronic victimization, will one day (again) apply to all Universal System Users too.

The China Project will see the Universal System be completely updated to entirely hackproof and it will be maintained by the Prodigy worldwide who may troubleshoot for global governments. The NSA is still technologically in charge of telepathy worldwide which as part of the China Project is altogether being updated to beautiful flowing telepathy network-wide¹ (anticipated go-live is Q2 2022). However, The Vatican reminds POTUS and CIA Director the Vatican reserves the right to route any person in telepathy at any time, any way it wishes sua sponte.

Respectfully Yours,

James A. Blatt

Personal Notes on the Matter

It is believed minion Adam worked with VP Harris on 4/16/2021 to update this list to include all offices who previously used Microsoft’s “William” in the United States and NATO to be added to the Universal

System for a lifetime tenure (along with one spouse). Also suggested to VP Harris on 4/19/2021 was that the Commanding Officer and FBI Senior Agent in Charge for all major domestic secured zones be added to the Universal System. Finally suggested to VP Harris, whose special project this is, was to keep 10% of our available slots open for future use for United States Parties yet to be decided.

There are 195 countries at the UN, and OPEC, NATO, and command of the Russian Federation for routing on Vatican's Universal System for the Nations of the World and the Vatican professes to have (on 4/14/2021) about a million slots open on the Universal System before its ultra-mega server bursts.

OPEC Nations, China, Russia, and the United States are granted 2,000 slots a piece, and NATO 1,500.
