Period and duration of the internship that you are interested in:

(A portfolio of previous benevolent work (if done) is to be attached.)

VOLUNTEERING OPTIONS AND ELIGIBILITY

Development Intern:

- Fund research and fundraising for future projects and for the school.

Communication and media to make the NGO more visible:

- contact with media

- creation of communication material.

Project management:

-project drafting of one or several projects (agriculture, education...)

Teaching Intern:

- different fields of arts to be introduced to two to five year old children
- Physical education for two to five year old children
- Basic English for rural Indian women and children

Skills required

- Fluency in English
- Mastering of project management and communication tools and Pack office (word, excel)
- Knowledge of the Indian rural environment is an advantage.
- A knowledge of working with children and women.
- Ability to overcome the barrier of language to communicate with the rural people.
- At least one experience abroad (volunteering, internship, job)

Duration: 2 weeks to 6 months

The intern must be autonomous, flexible and should know or be interested in the Indian environment.

To support the organization, an initiative spirit is essential.

You will be hosted in Salem which is 390kms away from Chennai and 280kms away from Bengaluru.

There is a hill station called Yercaud nearby, the perfect place to escape from the heat in tropical South India!

If you need information about the internship, please feel free to contact us at acwerk1@gmail.com

We shall arrange for an online or telephonic interview and begin your journey in working for the development of the Indian rural life.

Thank you for wanting to participate in sustaining the harmony of the world by reaching out to the villages.

Welcome.
