Pretty Weird Blonde's Newest Single, "Bitcoin Boi" Goes Viral on TikTok

Pretty Weird Blonde is a multi-hyphenate artist who is making a name for herself as a cosmic entertainer. Her latest single, *bitcoin boi* went viral on TikTok with 20+ million plays, which catapulted her into popularity in the world of cryptocurrency. Since releasing *bitcoin boi*, she has created a market niche of writing custom theme songs and jingles for crypto tokens and exchanges.

In addition to pioneering crypto music, Pretty Weird Blonde is a SESAC musician with an eclectic portfolio of music ranging from indie-rock to EDM. She has secured sync placements in various independent films, including three Amazon films. Her specialty is writing/producing custom music for companies with a rapid turnaround.

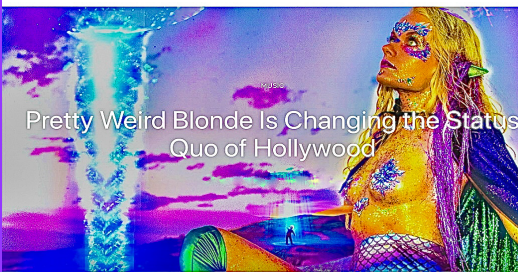

Pretty Weird Blonde first started releasing music in 2020 and has grown a niche fanbase of 55k+ followers. She has 10 singles to date with her newest song, "Chill Out" set for release in June 2022.

Sophia Rose aka Pretty Weird Blonde is sparking quite the buzz with her wild creative content and stories of being from an extraterrestrial planet. Established as an award-winning SAG actor, SESAC musician, and television writer/producer, Pretty Weird Blonde is on the up and up as a multi-hyphenate entertainer who creates professional content to inspire audiences outside of their comfort zone. She captivates her escalating fanbase with her transparency around mental health, unhinged comedy sketches, galactic insights, and soulful original music.

Ordinarily blonde, she occasionally morphs into her alien persona via otherworldly appearances. If you
