INT. LIVING ROOM (LOUNGE) - DAY

SAM, 20s, peruses his phone while smoking a joint. RACHEL, 20s, enters frustrated and discouraged. She drops a dollar into a jar labeled, "BAD DATE." Sam hands her the joint; she inhales deeply.

SAM

On the bright side, we almost have enough money for Hinge Premium and Tinder Gold!

RACHEL

Another two hours of my life wasted on a heady artist who just talked about his photography the entire time.

CUT TO:

INT. ART GALLERY (STUDIO) - DAY

PHOTOGRAPHER GUY holds up his phone to Rachel and explains another one of his photographs.

PHOTOGRAPHER GUY

I've taken nudes of all my exes. It's not obsessive... it's artistic!

CUT BACK TO:

INT. LIVING ROOM (LOUNGE) - DAY

Rachel passes the joint back to Sam.

SAM

Oh yeah, well I'd rather be inundated with bullshit photography than be forced to recite the old testament.

CUT TO:

INT. BAR LOUNGE (GARAGE) - NIGHT

Sam is about to take a shot, when RELIGIOUS GIRL stops him and insists on saying a prayer before drinking.

RELIGIOUS GIRL

Wait, let me say a quick prayer  
first! Dear Lord in Heaven Jesus  
Christ...

CUT BACK TO:

INT. LIVING ROOM (LOUNGE) - DAY

Sam shakes the "GOOD DATE" jar.

SAM

But, silver lining here is that  
you're looking at a guy who paid  
\$3.99 for a Hinge rose and just got  
it matched back BABY!

RACHEL

Oh really, is this another one of  
your pen pals who's eventually  
going to ask you for money?

Sam smirks and holds up his phone to show Rachel.

SAM

We've already scheduled a date for  
tomorrow night. Going to her place  
for dinner and *dessert*.

Sam winks as if to insinuate "dessert" is code for sex.

Rachel grabs Sam's phone and starts perusing his potential  
date. She reads aloud the woman's profile prompts.

RACHEL

"I want someone who: is open  
minded."

SAM

That's me. I try new foods all the  
time.

RACHEL

Uhh... all of her pictures are with  
another man.

SAM

Well that could be anybody, and  
it's okay to have friends.

RACHEL  
"We'll get along best if: you're  
adventurous."

SAM  
Come on. Remember where I went last  
week?

CUT TO:

EXT. TRAMPOLINE PARK - DAY

Sam pulls up to the trampoline park with a look on his face  
that screams, "I'm adventurous."

CUT BACK TO:

INT. LIVING ROOM (LOUNGE) - DAY

Rachel clarifies Sam's match.

RACHEL  
Dude you fully just committed to  
being a secondary with a married  
couple. It literally says right  
here: "the hallmark of a good  
relationship is: being Poly."

SAM  
Yeah, political.

RACHEL  
No, Sam. Poly-amorous.

Realization sets in; color drains from Sam's face.

SUPER: "UNMATCHED"

CUT TO BLACK.
