

Commercial Lubricants & Greases

WWW.GAUGEENERGY.COM

GAUGE ENERGY | GAUGE LUBRICANTS provides a robust range of commercial lubricants and greases engineered for trucks, buses, fleets, heavy-duty vehicles, machinery, and equipment operating under demanding operating conditions. Designed for reliable lubrication, wear protection, engine cleanliness, and dependable performance.

1. Diesel Engine Oils

GAUGE Diesel Engine Oil

SAE 15W-40 • API CI-4/SL

Heavy-duty engine oil formulated for selected diesel and gasoline engine applications, including applicable turbocharged and EGR-equipped engines requiring SAE 15W-40 and specified performance levels.

GAUGE Diesel Engine Oil

SAE 40 • API CH-4

Monograde diesel engine oil engineered for selected heavy-duty diesel engines and equipment operating under rigorous field conditions requiring SAE 40.

2. Gear, Differential & Hydraulic Oils

GAUGE Gear & Differential Oil

SAE 90 / SAE 140

SAE 90: Compatible automotive, commercial, and agricultural gear applications.

SAE 140: Heavy-duty gear, differential, and final-drive applications.

GAUGE Hydraulic Oil

AW / ISO HD 68

Designed for compatible hydraulic systems used in commercial, industrial, construction, and heavy-duty equipment where ISO VG 68 hydraulic oil is specified.

3. Commercial & Multi-Purpose Greases

GAUGE MP3 Grease

MULTI-PURPOSE HEAVY-DUTY GREASE

A premium multi-purpose grease developed for selected commercial vehicles, chassis points, bearings, agricultural machinery, industrial equipment, and general high-load lubrication applications.

Product Specification Summary

Product Category	Grade / Specification	Primary Application / Target
Diesel Engine Oil	SAE 15W-40 (API CI-4/SL)	Turbocharged & EGR diesel/gasoline fleets
Diesel Engine Oil	SAE 40 (API CH-4)	Heavy-duty monograde diesel engines
Gear & Differential Oil	SAE 90	Automotive, commercial & agricultural gear
Gear & Differential Oil	SAE 140	Heavy-duty differentials & final drives
Hydraulic Oil	AW / ISO HD 68	Commercial & construction hydraulic systems

Product Category	Grade / Specification	Primary Application / Target
Multi-Purpose Grease	MP3 Grease	Chassis, bearings & industrial equipment

Suitable Applications: Commercial Vehicles • Trucks • Buses • Fleets • Construction Equipment • Agricultural Machinery • Industrial Equipment • Mining Applications
