

COME BUILD A VILLAGE- CHANGE A DESTINY

Together, we
can bring life,
hope, and
freedom.

WHAT MAKES A VILLAGE VICTORIOUS?

CLEAN WATER

Wells end deadly waterborne diseases that claim lives before age five.

SUSTAINABLE LIVELIHOODS

Fenced farms and goats create milk, income, and lasting careers.

NUTRITION & GROWTH

Fish ponds provide protein and irrigate gardens for fruits and vegetables.

EDUCATION & FAITH

Farming success funds schools and plants local churches.
