

# 26 VICTORIOUS VILLAGES IN 2026!

We are excited to invite you to our upcoming mission to India, where we permanently end child slavery in the most at-risk villages in the world!

## JOIN THE 2026 TEAM!

### We need “Go-ers”

Join us in Hyderabad India, January 12<sup>th</sup>–26<sup>th</sup>, to aid in transforming critically impoverished and at risk villages, into Victorious Villages. Our goal is to transform 26 in 2026!

### We need “Send-ers”

It costs \$2,800 to turn a critically impoverished village, wrecked with child trafficking, into a Victorious Village where children are safe AND prosperous! That means we need \$72,800 to meet our goal of 26. Please help us to meet that goal or to sponsor an individual travel teammate in raising \$3000 for their expenses and contributions.

### We need “Pray-ers”

The master key to our success is asking The Master Himself for help. Please join us in this integral aspect of our mission.
