

Missing Willot Iris List (212? of 360 intros total?)

This list I have assembled contains a few notes on vendors that have certain varieties listed for sale, hybridizing notes of interest, if I have ordered them, acquired them, where they came from, and if they have been subsequently donated them to the Willot Iris Garden. Also, a few notes on a few missing varieties that may be growing at the Governor's Residence located in Columbus Ohio.

*denotes that it received Caparne-Welch Medal - AIS Award
