Monthly Observances

💙 Pregnancy and Infant Loss Awareness Month 🩷

October is Pregnancy, Infant and Child Loss Awareness Month to honor grieving families and honor the babies lost to miscarriage, stillbirth, SIDS, and other causes. This month helps connect isolated parents with communities and get in touch with mental health resources. In addition, raising awareness encourages continuous medical research to help lower the rates of preventable stillbirths and infant deaths.

#PregnancyAndInfantLossAwareness

Important Updates & Resources

Potential Lead Risk

RECALL DATE: JUNE 11, 2026

Several children's toys from **Darice's Timeless Minis** were found to contain lead. **STOP** use immediately.

KEEP AWAY FROM CHILDREN

NvCLPPP #LeaveLeadBehind

University of Nevada, Reno
Orvis School of Nursing

Reproductive & Perinatal Psychiatry Microcredential

This self-paced, online course is designed to help healthcare professionals build upon their clinical skills and confidence in reproductive and perinatal mental health care.

The course is intended for interdisciplinary healthcare professionals, including nurses, nurse practitioners, physicians, therapists, social workers, midwives, doulas and other clinicians interested in this area of practice.

Current students may be eligible for a course discount. Please contact Andrea Thompson for details.

Valid for 10 CEUs

You'll learn about:

- Perinatal mood and anxiety disorders
- Screening and assessment tools
- Psychopharmacology in pregnancy and lactation
- Trauma informed care
- Psychiatric emergencies
- Reproductive loss and infertility

WE WANT TO HEAR FROM PARENTS LIKE YOU!

We're inviting caregivers of children aged 4–21 to take a 25 minute survey about your child. Children 8 and older are also welcome to participate. Your responses will help improve tools that support children's mental health. Your participation plays a critical role in making sure these tools are valid, inclusive, and reflective of real-world experiences.

WHY PARTICIPATE?

Representation matters.
Help make sure families like yours are represented

Make a difference.
Your input helps improve tools used with children and families

Get a $25 gift card
Available to those who qualify and complete the survey.

HOW IT WORKS:

1. **Follow the QR code below**
   Express your interest in participating.
2. **Check your email**
   You will be enrolled in the study if you qualify.
3. **Complete the study**
   Complete a 25 minute online survey. Children aged 8-21 can also complete a survey.
4. **Get paid**
   Receive gift cards for your time.

Start here!

Scan the QR code with your phone's camera to begin the short screener.

PAR Creating Connections. Changing Lives.

Participation is voluntary. Your information will be kept confidential.

FREE PRENATAL & POSTNATAL CARE

Supporting Healthy Moms Through Pregnancy & Postpartum

COMPREHENSIVE SERVICES OFFERED

- Prenatal Care (includes all lab work and necessary ultrasounds)
- Postnatal Care (parent-only postpartum care)
  - **Note: We do not care for babies after birth, as they are typically eligible for Medicaid upon birth.**

PATIENT ELIGIBILITY REQUIREMENTS

All conditions must be met for eligibility:

- Be currently uninsured (including no private health insurance and no insurance through Nevada Health Link).
- Have no coverage through public programs (e.g., Medicaid, Medicare, VA benefits).
- Meet household income guidelines. Total household income must not exceed 250% of the Federal Poverty Level (FPL).

HAVE QUESTIONS? CONTACT US

We are here to help. For inquiries about services or eligibility, please contact:

Coordinator
Ariel Lopez

Direct Line: **702-444-7049**
Office: **702-906-3247 Ext. 232**
