Thanksgiving Break-school closed

Scholastic Book Fair

A **BIG** thank you goes out to Roseanne Sherrieb, Lavender Nix & Erin Perkes and their group of volunteers for the great job on the book fair. The selection of books this year was wonderful. The teachers appreciated the books purchased for their classrooms so much!

We are grateful to the parents who bought books for their children. With the ALL for Books and vouchers from Scholastic we will be able to put a book in 350 backpacks for low income children from the FUMC mission. TA Sims, Charles Nash and Van Zandt-Guinn schools.

We hope you found some special books for your home....

CANNED FOOD DRIVE

Please bring canned foods for the Mission in November. We will collect this food in both Preschool and PDO. The older Preschool classes will pull the wagon full of food to the mission pantry right before Thanksgiving break. First Street Mission provides sack lunches for the homeless, as well as groceries for struggling families. They accept donations all year long, but this is a good time of year to teach children about compassion and sharing our blessings with others.
