online this year  
Oct. 30th- 5th Annual Blood  
Drive

## Welcome to PDO!!!

We cant wait to see everyone next week and get the school year started. We will send home reminders in the monthly newsletter and emails.

It is important to **LABEL EVERYTHING!** Please call or email if your child will be absent because we worry about our precious babies! We appreciate your cooperation. Office number 817-546-4414  
Or [pwagstaff@myfumc.org](mailto:pwagstaff@myfumc.org)

Our annual Scholastic Book Fair will be held October 19-23. The book fair will be online this year. More info to come. This a great time to buy Christmas or birthday gifts. All your purchases benefit the Preschool and PDO as well as less fortunate schools. We are grateful for your support!

## Coronavirus

It is the top priority of FUMC Day School to implement increased health and safety standards for the health of the Day School staff and children. FUMC Day School follows CDC, Child Care Licensing, state and local health officials, and government directives and recommendations. FUMC Day School recommends that families consult the CDC's guidelines as well as Minimum Health Standard Protocols for Child Care Families regarding individuals who are at higher risk for severe illness and discuss questions and concerns regarding your child with a medical professional. Although FUMC Day School is implementing infection control strategies, sending a child is not without risk. Each family must assess their own risk of exposure to the coronavirus. We want to provide consistent reliable service to you and your child, while maintaining a healthy environment and minimize closures. FUMC Day School, if directed by local health authorities, may need to discontinue any class or the entire program with less than 24-hour notice. If your child tests positive for COVID-19 and attended at least 1 day of class, all parents in the class will be notified without disclosing your child's name. The same practices will be followed for FUMC Day School staff.

Teacher's cannot access their cell phones throughout the day. They are busy teaching your precious babies. If you need to communicate something please contact Paula Wagstaff at 817-546-4414 or [pwagstaff@myfumc.org](mailto:pwagstaff@myfumc.org)
