Fort Worth Children's Opera

Fort Worth Children's Opera visited us on Feb. 26th and 27th in Wesley Hall. They performed "Three Pigs Remix," a new take on a classic tale, with a message about the benefits of cooperation, order over chaos, and taking care of each other when the going gets rough. We are thankful that the Opera made an exception for us, and came on a day when they do not normally schedule shows, so that both T/Th and MWF kiddos could see the show.

Dear Parents,

As we go through pre-registration and plan for next year, it is bittersweet. How exciting when a new baby brother or sister enrolls for the fall! How proud we feel to see how our "big kids" have grown, and how sad when they don't need to turn in a form, and we know they will soon leave us. We value your family, and are happy you are part of our preschool.

*With Love,
Mrs. Nina*
