## **How Do You Make the Classes for Next Year?**

**At this time of year, we often hear this question from parents. Or sometimes people ask if they can request a certain teacher. Here is what we do:**

- 1. Ask current teachers for their input**
- 2. Try to balance each class (i.e. personalities, boys/girls)**
- 3. Look at family relationships  
(did an older sibling have a teacher?)**
- 4. Make sure each child has old friends and new friends**
- 5. Consider the individual needs of each child, and parent requests**

**We really take time to consider each child and the composition of each classroom. Please let us know if an older sibling had a teacher you'd like to have again. If you'd like to share your preferences, please let us know your request in terms of your child's needs (i.e. my child needs a teacher with a quiet voice, or my child would do best in a highly structured environment). Thank you!**

### **Fall 2021 Enrollment Paperwork Due Friday, May 14**

We input all student information over the summer. If you have everything, but are waiting to see the pediatrician, please turn in everything else now, if you have not done so already. All our forms are online: [www.fumcdayschool.org](http://www.fumcdayschool.org).

**Please email them to Kim ([kshannon@myfumc.org](mailto:kshannon@myfumc.org))**  
Remember that we need current shot records before children attend in the fall. Thank you!

Dear Preschool Family,

I want to take a moment to thank you for sharing your children with us. This is a wonderful school because it is filled with wonderful people.

Thank you for sticking with us during this crazy year and for partnering with us to keep everyone safe. I hope you have some time to unwind and relax with family this summer.

If this is your last year at preschool, we will miss you! Please know we love to have you visit and hear how you are doing at your new schools.

With Love,  
Mrs. Nina
