OPERATIONAL POLICIES

The policies may change at any time for any reason; families will be notified of changes and updates will supersede previous versions. The first day of school is September 6, 2022. This year our program will end May 17, 2023. The Preschool follows the Fort Worth Public School's decision on opening and closing of school during inclement weather. In case of a delayed opening, the Preschool will open at 10:30 am. On questionable days, the Preschool may also close early at the discretion of the Director.

NOTE: Snow days and severe weather days will not be made up.

1. HEALTH AND SAFETY

FAMILY PARTNERSHIP

- Maintaining a safe and healthy learning environment is a partnership. Each family plays a significant role in maintaining the safety and health of all children and staff participating in FUMC Day School classes.
 - Monitor your child's health each morning. If your child's temperature is 100.4 degrees or higher, or if there is any possibility that your child may be coming down with an illness of any kind, please keep your child home and contact FUMC Day School and. Sending them to school could result in other families and staff becoming ill.
 - FUMC Day School follows CDC, Child Care Licensing, state and local health officials, and government directives and recommendations.
- If local conditions change, we may have to implement increased precautions. We will follow guidance from local health authorities.

VACCINE POLICY

- All students must have current vaccines to attend FUMC Day School. If a child has a medical condition which requires an altered schedule of vaccines or no vaccines, we will consider making an exemption. We will ask for a letter of explanation from your pediatrician and take it to our board to review. We are willing to consider exceptions for medical reasons only. The board will make its decision based on this information. Nothing is guaranteed. Please note, the MTHFR gene variation is not considered a valid reason to grant an exemption.
- If your child receives any immunizations during the year, please make sure to give the office an updated shot record for your child's file.

IF A CHILD BECOMES ILL

- If a child becomes ill, the parents will be notified and are expected to pick the child up immediately. The school should be notified if a child has been exposed to a contagious disease (including, but not limited to, COVID-19, pinkeye, flu, lice, strep throat, and impetigo). The school will send notices home if your child has been exposed to a communicable disease. This helps preserve a healthful atmosphere and protects your child from unnecessary illnesses. If your child has pinkeye, they must have a doctor's note before returning to school. Children with FEVER (100.4) or DIARRHEA/VOMITING are not allowed at school and should remain home for 24 hours after the fever or diarrhea subsides without medication.

MEDICATION

- The director will be allowed to administer medication (including OTC) only after parents and physicians have signed the proper forms and given the medication to the director. All prescription medication must be in the original prescription container, labeled with the child's name, date prescription was filled, the name of the physician, expiration date of the medication or the period of use, with the original prescription label that details the name, strength, and instructions on administering and storing the medication. All OTC medication must be in original container labeled with the child's name and accompanied by physician instructions. Anyone administering medication has specific training according to NAEYC rules. Medications are kept in a locked cabinet in the teacher kitchen. Medications such as Epi-Pens or Auvi-Q are kept in a locked cabinet above the teacher work area in the classroom. This area is inaccessible to children but allows quick access for staff.

ALLERGIES

- Students with severe allergies must turn in an allergy form, an action plan, and an epi-pen.
- We will inform parents in each class where there is a severe allergy and limit foods accordingly.

EMERGENCY MEDICAL CARE

- In the event of accident or illness that, in the Director's judgment, requires emergency medical treatment, the school is authorized to obtain and render emergency medical care. A medical treatment authorization form must be signed and kept in your child's file. If a hospital is required, Cook Children's Medical Center, 801 Seventh Ave., 817-885-4000, will be used. The Preschool will not be responsible for medical expenses incurred, and such expenses will be the responsibility of parent/guardian. All staff members have been trained in CPR and pediatric first aid.

HAND HYGIENE PROCEDURES

- All FUMC Day School staff will be required to instruct and assist children with washing their hands upon arrival.
- Teachers will teach children a hand washing song and educate children on safe hand hygiene practices.
- Children and staff will wash hands in the following circumstances:
 - Arriving at FUMC Day School
 - Prior to departing from class for the day
 - After using the restroom
 - After coming in contact with bodily fluids or using a tissue
 - After playing outdoors
 - Before and after lunch

CLEANING AND DISINFECTING

- Classrooms and restrooms will be cleaned and disinfected throughout the day. Our school uses least-toxic, fragrance-free cleaning products.

DAY SCHOOL SECURITY

- The safety of all students is a priority here at FUMC Day School. We have full-time security personnel during school hours to help provide a safe and worry-free environment.
- All doors into the school remained locked during the day. Parents and teachers may enter with a security code. Closed circuit video cameras monitor the school 24 hours a day.

2. TUITION

PAYMENT METHOD

- The school accepts credit cards (online through SmartCare), cash, money orders or checks. You can set up an automatic bill pay with your bank. ("Attn: Preschool" must be on the check.)

DUE DATE AND LATE FEE

- Payment for your child's tuition is due on or before the fifth day of each month. Starting the sixth day of each month, a \$10.00 late fee will be added to your account.
- The school is a non-profit organization and depends solely on tuition to pay for teachers' and teacher assistants' salaries. No deduction in tuition, enrichment, or after care is allowed for absence, illness, holidays, snow days or severe weather days.
- There will be a \$25.00 returned check fee.

3. ARRIVAL AND DEPARTURE

DROP-OFF TIME

- All parents are encouraged to use the Car-pool line. Drop-off time is between 9:15 and 9:30 am. From Henderson, turn onto 3rd Street, heading toward downtown. We will come to the passenger side and take your child to his/her classroom. Please do not allow your car to idle in the parking areas and carpool line, except if vehicles need to idle in extreme heat or cold to maintain interior or engine temperatures. Please make every effort to be on time. We have found that the drop-off line helps to minimize separation anxiety. We appreciate your help in being on time and supporting the classroom teachers. Being on time also helps your child start the day off well.

- Parents who prefer to walk their child in may enter the Day School and drop their children at the classroom door. Park in the west lot and walk in.
- We use SmartCare to record your child's attendance. You will have the opportunity to download the parent app or have a key tag assigned to you. You will use this to sign your child in and out of SmartCare daily if you bring them into the building.

LATE ARRIVAL

- If you arrive after 9:30 am, please park in carpool line on 3rd Street and use the keypad to enter. Bring your child to the preschool office. We will take them to their classroom.

BEFORE CARE

- If you need to drop your child at school before 9:15 am, we have Before Care every day, beginning at 8:30 am in Room 175 (2s) and 177 (3s, 4s, and PK). You do not need to make a reservation. The cost is \$7.00 per day. We will tally the monthly amount and include it in your statement. You can include Before Care payments in the next month's tuition or write a separate check. If your child will attend before care every day, you can pre-register for \$6.00/day.

AFTER-CARE

- 2- and 3-year-olds who wish to stay at school later than 12:30 pm can use our After-Care program. You can have your child stay every day until 2:30 pm and pay the LONG DAY tuition. If your child will not ever stay, or will only stay occasionally, please select the SHORT-DAY tuition amount. On days when you wish to stay for after care, simply tell us in the morning before 10:00 am. We will charge you \$15/day, and bill you at the end of the month.
- The school provides a padded, vinyl-covered mat for each child. You may send a blanket, a sleeping bag, or a roll-up nap mat. We prefer something small that fits in a backpack or will roll up and fit in a cubby.
- If your child comes 5 days, they may store their mat at school all week.

PICK-UP TIME

- Pick-up time is between 12:15 and 12:30 pm for the short preschool day. If your child is in the 4-year-old or Pre-K Bridge Class, or stays for After Care, pick-up is between 2:15 and 2:30 pm. Children not picked up on time at 12:30 or 2:30 will be charged a late fee of \$1.00 per minute. Late pick-ups are stressful for children and teachers. If you are running late, please call to inform us. This way we can adjust and calm your child.
- Please pick up your 3, 4, and PK age children using the carpool line along 3rd Street. Please do not allow your car to idle in the parking areas and carpool line, except if vehicles need to idle in extreme heat or cold to maintain interior or engine temperatures.
- Parents of 2s who stay for aftercare, should walk in to pick your children.
- If someone new is picking up your child, please inform the office and we will add them to your approved pick-up list. We will ask for a photo ID. We will not release children to unauthorized people without approval. We will not release children to adults who appear to be under the influence.

4. EMERGENCY PREPAREDNESS

- The school conducts monthly fire drills and quarterly Duck and Cover and Lockdown drills.

FIRE

- In the event the fire alarms sound, teachers will calmly evacuate all children in accordance with the classroom's evacuation route.

SEVERE WEATHER/LOCKDOWN

- The FUMC Day School Office will notify teachers when the Severe Weather Plan or Lock-Down Procedure will be put into place. Teachers will calmly assemble all children in their designated shelter location.

EVACUATION

- FUMC has formulated an evacuation/disaster plan for the school. We would only implement this plan on direct orders from the police or fire department to evacuate the downtown area. The entire church staff would help in

moving the children by cars to the parking lot at Rockwood Golf Course, 1851 Jacksboro Highway, 76114. All children will remain with their teachers and the assigned staff representative. Please be aware of this plan so you will know where to locate your child in the event of a disaster making it necessary to evacuate the downtown area.

5. PARENT COMMUNICATION

PARENT AND CHILD ORIENTATION

- An in-person event for parents will be held in prior to school.
- A meet-the-teacher event for you and your child will be held the next day.

KEEPING PARENTS INFORMED

- Any special occurrence or problem affecting children will be brought promptly to the attention of the parents, such as the discovery or suspicion of any communicable disease among the students or a change in your child's physical or emotional state. Parents will be notified personally concerning various announcements throughout the year. For the first two weeks of school, daily activity reports for the 2-year-olds will be sent home. Once a month, parents will receive a newsletter and a monthly calendar of activities from the office and your child's teacher. All office correspondence will be sent by email. If you ever have any questions, please call, or come see us. Our doors are always open to you!
- Children remain in the same classroom, with the same group of children and teachers for the entire school year.

PARENT/TEACHER CONFERENCES

- In the fall, an informal written progress report and developmental screening results will be sent to the parents of 2s and 3s. The 4-year-old and Pre-K teachers will have a conference with the parents in the fall. If necessary, the Director and teacher will help parents arrange for early intervention as needed.
- The spring conference is scheduled for all preschool children in April to discuss your child's progress. If desired, the parents or the teacher may request additional conferences.

PARENTAL RESPONSIBILITY

- Parents or guardians assume full responsibility for the protection of the child to and from school and agree that they will not hold the school, church, or any member of the staff responsible in case of accidental injury that might occur while on the school premises or during the hours of care.
- If your child will not be attending school for any reason (i.e., sickness, travel), please call or email the Preschool office by 9:30 am that day to notify the Director.

VOLUNTEER OPPORTUNITIES

- We would love to have your help, and have a wide variety of volunteer jobs, both large and small. Talk to your child's teacher or call the preschool office. We will find a volunteer opportunity to fit your schedule and interests.

PRESCHOOL EVALUATION

- Each parent shall be given the opportunity to evaluate the school each year. The form may remain anonymous and will be kept confidential.

CONFLICT RESOLUTION

- If parents have any concerns, they should first talk to their child's teacher. Any issues between parents and staff that are not resolved, should be brought to the director's attention. A conference will be held if necessary.

CONFIDENTIALITY

- The content of each child's health and safety file is confidential but is immediately available upon request to administrators and educators who have consent from a parent or legal guardian to access the records, the child's parents or legal guardian, or regulatory authorities.

6. GENERAL PRESCHOOL INFORMATION

WHAT TO WEAR

- Parents are encouraged to dress their child in comfortable washable play clothing. The children will be using paint, glue, markers, water, and other materials in creative activities. They should come dressed for outside play, preferably in tennis shoes for climbing and running.
- PLEASE – NO BOOTS OR FLIP FLOPS, they inhibit gross motor development and cause accidents on the playground.
- Children can play outside each day, weather permitting. Parents concerned about sunburn should apply either sunscreen or sunblock with UVB and UVA protection of SPF 15 or higher to the child's exposed skin before bringing them to Preschool. We will monitor outdoor air quality and adjust recess if necessary.
- When public health authorities recommend use of insect repellents due to a high risk of insect-borne disease, please apply the insect repellent to your child before bringing him/her to school. It is recommended that only repellents containing DEET be used, and that is applied only on children older than two months.

WHAT TO BRING

- 2-year-olds: Supply of diapers and wipes in a ziplock baggie and an extra set of clean clothes in a ziplock baggie.
- 3 and 4-year-olds: An extra set of clean clothes in a ziplock baggie.
- Please label all clothes and/or jackets sent to school with the child's name and/or initials for all ages.
- Children should bring a non-perishable lunch in a container with the child's name on the outside of the container. Please cut or slice all necessary food before coming to school (1/2-inch square for 2s. To prevent choking, please do not send the following items for 2s and 3s: hot dogs, whole or sliced into rounds, whole grapes, nuts, popcorn, raw peas, hard pretzels, spoonfuls of peanut butter or chunks of raw carrots or meat larger than can be swallowed whole. The school is not able to microwave lunches. For perishable items, please enclose a frozen blue ice in the lunch box.
- Please send a reusable water bottle every day. We highly discourage sending candy and carbonated drinks. Gum is not allowed at school.
- Lunch times are posted in the classrooms and daily schedules will be given out to parents.
- Preschool children will not be permitted to have a bottle at school.
- We post allergies in each classroom and are peanut-free on an as-needed, class by class basis.

POTTY TRAINING

- 2-year-olds do not need to be potty trained. We will support your child during potty training.
- Children enrolled in the 3-year-old program should be potty-trained by the start of school. You may send a pullup for naptime.

BIRTHDAY CELEBRATIONS

- We are happy to celebrate your child's birthday at school. We sing Happy Birthday in the classroom and in music. If you wish, you may send a small treat for each child, such as bubbles, but please do not send food.
- If you are sending party invitations to everyone in the class, please feel free to have the teacher pass them out at school. If only some children are invited, please send by mail from home.

DISCIPLINE AND GUIDANCE POLICY

- We use positive discipline and techniques from Conscious Discipline with the goal of developing self-control and a community where each child matters. Our discipline and guidance policy is part of our enrollment paperwork and can be found on our website under the enrolment tab.

- Our policy adheres to the Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance.

CHALLENGING BEHAVIOR

- Social learning in preschool can sometimes be difficult as children figure out how to express their wants and needs while respecting others. We will do everything possible to support each child's inclusion and success while this learning takes place. Teachers will use redirection and positive discipline. We will make every effort to work with parents and children, using outside help, as necessary.
- If a pattern of challenging behavior continues over time, the Director will meet with parents and teachers to develop an individualized plan. We will use outside support and help families find an alternative placement for their child if necessary. This policy is in place to ensure the safety and wellbeing of all students and staff. The Director will review each incident, determine its severity, and implement the policies as appropriate.

CHILD ABUSE REPORTING PROCEDURES

- Child abuse, by definition, is an act or omission that endangers or impairs a child's physical, mental, or emotional health and development. Child abuse may take the form of physical or emotional injury, sexual abuse, sexual exploitation, physical neglect, medical neglect, or inadequate supervision.
- Texas law requires that any person suspecting that a child has been abused or neglected MUST immediately make a report. If child abuse is suspected, the teacher and/or teacher assistant must report it to the Director. The Director will call the Child Abuse Hot Line 1-800-252-5400 within 48 hours to report.
- All teachers/teacher assistants have attended the Sexual Abuse Awareness Training that complies with the requirements of the Texas Youth Camp Act (Chapter 141); TDSHS Training Code YC060034.
- Any staff member accused of abuse or neglect will be immediately suspended. The suspension will be continued during any investigation by law enforcement, child protective agencies and The FUMC safety committee. These policies are in place to protect both the employee and the child.

MINISTRY SAFE

- All teachers and staff have completed our Ministry Safe program, a background check, and FBI fingerprinting.
- We will always have two adults in a room while children are present.
- Church policy does not allow the school to recommend babysitters.

GANG FREE ZONE

- House Bill 2086 passed during the 81st Legislature, Regular Session, Chapter 42 of the Human Resources Code includes section 42.064, effective September 1, 2009. This statute requires that information about gang-free zones be distributed to parents and guardians of children in care at licensed childcare centers. A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The gang-free zone is within 1000 feet of your childcare center.
