Dear Friends,

Family Camp 2020 will go on as scheduled with extra precautions taken. We ask that each person be considerate of others while in attendance. Please adhere to at least a 6-foot distance from other families. If you prefer to wear a mask, then do so. Masks will be provided only if you are unable to provide one for yourself. Masks are on a limited supply. If you prefer not to wear one, please remember to social distance. It may not offend you, but it may offend someone else.

With the extra precautions being taken, there will be additional duties for those in attendance. As always, we appreciate your willingness to work for the Lord. Volunteers working in close proximity of others will be required to wear a mask, such as kitchen and children's workers. Hand sanitizing stations will be located around the campground.

Remember, handwashing is the best way to stop the spread of COVID-19.

Anyone who is sick or has had close contact with a person with COVID-19 is urged to stay home. We understand many will be uncomfortable with attending campmeeting this year and we support your decision. If you choose not to attend, we would love to have you join us via Facebook Live, Mixlr, or through conference calling. Details on how to join are posted on the reverse side of this letter.

In His Service,

M.E.A. Board of Directors
