Presidents Report

We had a record number of volunteers for the past three sales events Ships Departure, Ship Return and Indoc, (see attached). We all have to find assistants to take over our responsibilities when its time for us to move up and on. We need to nominate a committee for the Christmas Party. We are going to need people who are crafty to do table arrangements and baskets, and sell tickets. I will ask Henry tonight to secure the Special Events room for December 6th Holiday Party. I noticed that there is not a November meeting on the Calendar. I would like to ask the President, Captain McManus, Capt Hanft to attend.

Vice President Report

Since accepted students day in April we have had 21 new SMPA members join through our website. We had 4 new memberships at ship return, 4 mailed in. At Indoc ceremony we had 26 new members join.

Next year we will most likely have only one charter boat for ship return due to the problem of not getting both boats unload and away from the waterfront pier in a timely fashion.

We would like to thank those who have volunteered their time at ship departure and return to help us sell merchandise and food. We really need more help at the next event, which is Homecoming in October.

Treasurers Report

End of Aug. 2019 statement .

We actually have some membership deposits after the statement produced.

Balance today \$62,365.03.

Note- pending is the check # 1168 for \$2,000. I sent last week to the accounting firm for IRS tax filing & paperwork,

Check #1161 for \$1,568.67 was for the Sports director - video equipment

Store Mangers Report

Inventory was taken this week. Our estimated order is \$15,244. That is not including Yeti cups and Bling shirts. Jamie and Tom requested an order for the Wind jackets.

SUNY Maritime College Parents Association Corp.

Joe requested Yeti cups large and small will be ordered in Maritime colors Navy and Maroon only with no dates on them so that we are not stuck with outdate merchandise. All board members agreed.

All board members are expected to wear the SMPA shirts at events.

There are many old Alumni shirts left to sell from various years. Joe requested that we sell them as clearance at Homecoming. All board members agreed.

There are well over 100 ship return shirts and indoc survivor shirts that have not been selling. The board agreed to have Austin Ford sell them at the Mess deck during lunch and dinner. They will be sold for \$10 and we will split the sales with the Student Government Association. All board members agreed.

Hospitality Report

We are looking for hospitality help for Homecoming and the Christmas party. Please contact us at parents@sunymaritime.org if you would like to volunteer.
