### **New Business**

Discussed possibly taking our email (Purehost)accounts down in January to consolidate duplicate services from various accounts including: Purehost, Network solutions, godaddy, Wells Fargo, authorize.net.

Rob Davis and Tom Fitzgerald agree that we are paying service fees for duplicate services. We will meet in January to work on this issue.

Tom Fitzgerald also discussed cash flow from 2018 compared with 2019. It was noted that in 2018 volunteers attended orientation to sell memberships. We did not do this in 2019. We will ask for a volunteer or 2 to attend this summer's orientation to recruit new members. We will also request a table during breakfast on the Mess Deck for Accepted Student's Day.
