# *Welcome to our Second Annual Bull and Female Sale*

Welcome and thank you for your interest in our Second Annual Bull and Female Sale. We extend our appreciation to everyone who has supported our program over the years. Our family operates a mixed farm and ranch in Deadwood, Alberta, just an hour north of Peace River. We focus on a maternal Angus and Simmental Angus cross commercial herd that calves at the end of April. This past year blessed us with excellent growing conditions, strong cattle prices, and the invaluable support of family, friends, and customers. As we transition into the third generation, with Cole joining us full-time, we eagerly anticipate our 2025 sale lineup and future prospects for 2026.

Our commitment to quality is evident in our culling process, focusing on disposition, udder, foot, and leg structure. Our bulls are developed moderately and slowly on a diet of forage, oat/pea and annual mix silage, with no creep feeding. Our females selected for the sale are all home raised using the same culling principles.

We welcome you to check out our offerings any time before sale day or join us at our open house on March 8th, from 11AM-5PM. For those unable to attend, we offer arrangements and assistance to ensure you find the right bull. Videos will be available on [www.dlms.ca](http://www.dlms.ca) two weeks before the sale. Stay updated by visiting our Facebook page or website at [nicklasonstockfarms.ca](http://nicklasonstockfarms.ca). Thanks again for your interest and support of our program and we look forward to meeting new customers and friends along the way!

Warm regards,

The Nicklason Family

Brad, Kristi, Cole, and Bree

*Feel free to stop at the farm anytime to  
view the sale offerings or please join us at  
our open house March 8, from 11 - 5pm*

# BULL AND FEMALE SALE

Sale starts March 9th at 8 AM and closes  
March 10th at 6 PM with racehorse style timed  
sale with soft close and extended bidding

## *Terms and Conditions*

**Retaining Interest:** The seller reserves the right to collect "owners use" semen from any bull in the sale at the sellers expense and buyers convenience

**Breeding Guarantee:** All bulls will be semen tested by a licensed veterinarian prior to the sale all deferred bulls will be noted as such. All Heifers have been verified bred and palpated for breeding soundness by a licensed veterinarian

**Terms:** All cattle purchases will be invoiced to the buyer, and payment in form of e-transfer or cheque will be accepted. Payment is required upon receiving the invoice. Cattle will not be released from the sale premises until payment is received in full, unless other arrangements have been made prior to the sale. Every animal sells to the highest bidder. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

**Buyer Registration:** Buyer will have to register with DLMS prior to Farmgate timed auction at [www.farmgatetimedauctions.ca](http://www.farmgatetimedauctions.ca).

**Purchaser's Risk and Insurance:** Ownership risk to purchaser commences immediately following auction. We strongly recommend that insurance is purchased.

**Announcements:** any changes or announcements made on sale days take precedence over any printed material

## *Viewing*

All sale animals can be viewed  
at the ranch.
