### **Commercial Pilot Program Estimate \$6,210.00** **Cirrus SR20 G3**

-This does not include the 250 hours required for the rating. It is assumed the hours will be completed during this rating and previous ratings before the check ride. See time building sheet for more cost info.

-All hours are approximate and based on FAA minimums.

-Aircraft are maintained in house for the most consistent flying results.

-Block Time purchases reduce overall Aircraft Rental cost. (All block time purchases are NON-Refundable)

-Cirrus Club membership can reduce overall Aircraft Rental cost.

-Fuel Cost are subject to change at any time and Gallons Per Hour are approximate.

\*All hours are approximate and based on FAA minimums.
