

## FOR IMMEDIATE RELEASE

### Erny Sheet Metal Names Molly Jahn as Vice President

JASPER, Ind. — Erny Sheet Metal is pleased to announce the appointment of Molly Jahn as the company's new Vice President. With a strong background in account management and customer relations, Jahn brings valuable leadership experience and a commitment to continued growth and excellence. In her new role, Jahn will help oversee company operations while focusing on strategic growth, strengthening customer partnerships, and expanding Erny Sheet Metal's presence throughout the industry.

A lifelong resident of Jasper, Indiana, Jahn is a graduate of Jasper High School. Prior to joining Erny Sheet Metal as Vice President, she served as National Account Manager at Advanced Sports Supply, where she developed lasting customer relationships and contributed to the company's continued success.

"I am incredibly grateful for the opportunity," said Jahn. "I look forward to building on the company's outstanding reputation, supporting our talented team, and continuing to grow the business while delivering the exceptional quality and service our customers expect."

Outside of the office, Jahn enjoys golfing, traveling, and spending time with family and friends.

For nearly five decades, Erny Sheet Metal has provided high-quality custom metal fabrication solutions for a wide range of industries. The company remains committed to craftsmanship, innovation, and exceptional customer service.
