

How to get Smart STB app license

To get an app Trial just start the app for the first time and agree to the Terms and Services.

More information about how to get trial: <https://www.smart-stb.net/knowledge-base/how-to-activate-the-app/>

If you want to get paid license please read below.

You need to go to site (www.smart-stb.net) and locate **SMART-STB** and click it. Then you need to select **SMART STB Activation**.

When you choose SMART STB Activation you will see this picture:

Smart STB Activation

5276277347

Software ID (MAC Address)

No need to register for New Trial.
App trial starts automatically the first time you start the app on your Smart Device

To change or edit portals – go here

To purchase license Enter the app's Software ID in the grey box then follow the instructions.

-OR-

Enter the activation code inside your app to get Software ID automatically

Payments are non-refundable!

Please pay for the app only if you are happy with it and you have a Portal to use it with.

1 app license is valid for 1 (one) device.

You need to have a Portal (or IPTV provider) to use the app with.
We do not offer or provide any IPTV services, streams or playlists!

Picture above is an example.

When you see this picture, you need to **enter activation code in the app** on your device

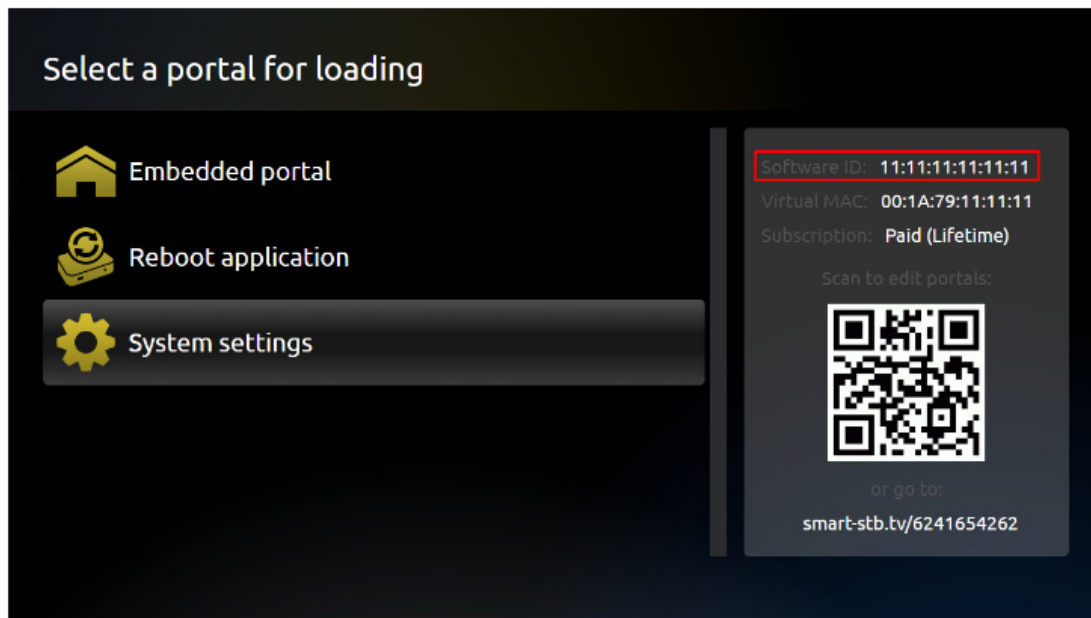

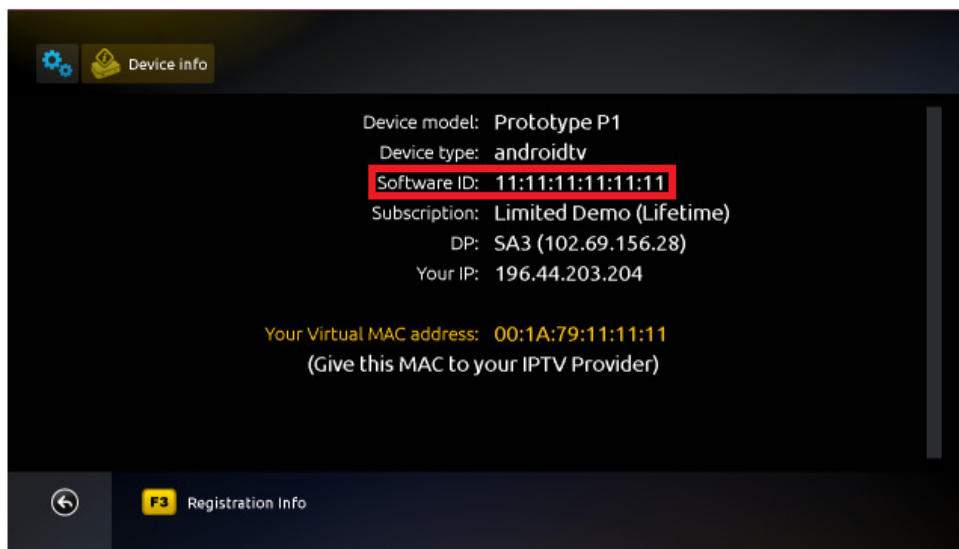

-Or-

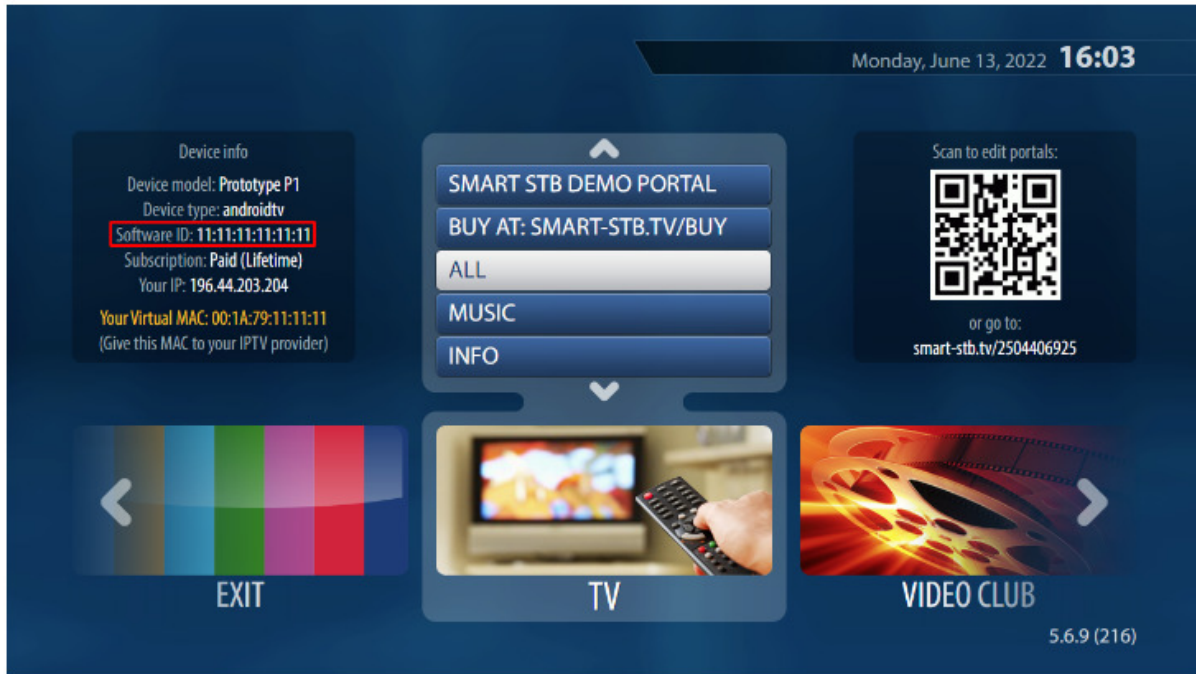

You need to **enter Software ID in our site**.

You can activate via **activation code -or- via software ID**.
Use this method that is easier for you.

Please note that you can find your Software ID in “Device Info” menu, choose portal menu or in demo portal.

Pictures below are an example and not a real device.

When you entered a valid activation code in app on your device or software ID in our site you will see something like this on our website:
