

Military Child Month

**SO MANY NEW &
EXCITING THINGS
HAPPENING HERE AT
THE POST!**

FIRST LET'S START WITH:

We have **updated** the floors throughout the building. We have trained several employees and members as **Certified Bartenders** through the **State Of Ohio**. We are the **ONLY** location in Van Wert to offer this to our patrons and our Community! They attended the LBS Bartending School out of Delphos, OH.

And with the help of the Auxiliary Presidents Project they have also received **MANY DONATIONS** not just for stuff but for the employees and a few members as well!

NEW shelving for the walk in cooler, paint for the canteen walls, pours, airtight containers for the NEW Freezer!

What we are most EXCITED for is

the **Bartending School Certification Training with LBS.**

So what does this mean for the Post you might ask yourself?

This means that Our Post is the **ONLY** location in Van Wert with this training. A certification demonstrates a commitment to professionalism and a willingness to invest in the skills necessary for success in our future..

CERTIFIED BARTENDERS THROUGH THE STATE OF OHIO!!!

And this is just the beginning, wait until you see what's next. We have many more improvements happening over the next few months both inside and outside like.

The Ladies Restrooms will be getting a makeover as well.

We are hoping to bring in a younger demographic of members while still accommodating all age groups. We are learning new skills in order to help us accomplish this and to have more family friendly events and activities.

We have updated the Canteen Menu to be family friendly not just in food but in price as well.

So come in and see what is happening here at the Post and maybe stay for an event!
