

**MONTH OF THE MILITARY CHILD**Facebook: [American Legion Isaac Van Wert Post 178](https://www.facebook.com/AmericanLegionIsaacVanWertPost178)**NEW AT THE POST:**

We have updated the floors throughout the building. We have trained several employees and members as **Certified Bartenders** through the **State Of Ohio**. We are the **ONLY** location in Van Wert to offer this to our patrons and our Community! This certification shows our commitment to professionalism and willingness to invest in the skills necessary for success in our future. They attended the LBS Bartending School out of Delphos, OH.

We have many more improvements happening over the next few months both inside and outside the post, so come in and see what all is happening here at the Post.

**Post Commander Randy Matthews:**

I hope everyone is ready for Easter and Springtime.

We always need volunteers and in the next few weeks we will be working on fixing the Chicken Shack floors. We will

be putting flags on graves at the cemetery in May as well.

If you have any questions or concerns about what is going on here at the post please contact me or come to a meeting to express your concerns as our bartenders are unable to address those questions and concerns.
