Septima Obra Malbec-"Big"-Mendoza, Argentina \$12

### ***Thinking about a bottle?***

A \$10 corkage fee is applied to the first two dine in bottles. V-NO sells bottles for both on-premise enjoyment and takeaway. We dedicate a lot of space and services to on-premise enjoyment which is supported by a modest Corkage Fee. Since takeaway customers do not use V-NO spaces or service, they do not pay the corkage fee, thereby providing fair prices for all.
