

# Referral Program

We're excited to introduce our referral program that rewards you for sharing your positive experience with Advanced Energy Center with your friends, family, and colleagues. When you refer someone to us and they complete a 2 hour session, you'll earn 1 hour of our services for free as a token of our appreciation. It's our way of saying thank you for helping us grow and spreading the word about the fantastic services we offer.

## How It Works:

- **Refer:** Tell your friends, family, and colleagues about Advanced Energy Center and the great experiences you've had with us.
- **Share:** Provide them with your name when they book their session.
- **Visit:** Once your referral comes in for their session and completes it, you'll receive a credit for 1 hour of our services.

## Terms and Conditions:

- Limit 1 hour earned for every 1 person referred. Referral credits are earned when the referred person completes a 2 hour session with us.
- There is no limit to the number of referral credits you can earn. The more people you refer, the more hours you can accumulate.
- Referral credits are not transferable, redeemable for cash, or replaceable if lost or stolen.
- Referral credits can be used towards our EESystem Room and are subject to availability.

- Referral credits will be tracked internally, and you will be notified when you have earned a credit.
- This referral program is subject to change or termination at any time, at the discretion of Advanced Energy Center.

### **How to Refer:**

- Simply inform your friends, family, or colleagues about Advanced Energy Center and the services we offer.
- Ask them to mention your name when they book their session.
- Encourage them to come in for their session to activate your 1-hour credit.

### **Ready to Start?**

Help us grow and earn free hours of our exceptional services at the same time! Share your positive experiences with others and enjoy the benefits of our referral program. We're here to make your experience with Advanced Energy Center even more rewarding.

Thank you for your support and for being a valued member of the Advanced Energy Center community!

For any questions or more information, please feel free to contact our team at (405)-928-8415.
