

Parents

The State's Minimum Standards for childcare facilities include a requirement that our school maintains a written statement from a licensed health care professional who has examined your child within the past year stating that your child is well and able to take part in the school's program.

If your child is 4yrs or older a current Hearing and Vision screening must be obtained as well.

Please obtain this information and a copy of your child's immunization record from your child's physician. These must be returned PRIOR to your child's attendance.

The statement below, signed by your child's physician, will satisfy the Health Statement requirement.

PHYSICIAN'S STATEMENT

I have examined _____ (child's full name) within the last 12 months and have determined that he/she is free from contagious illness and physically capable of participating in a preschool/childcare environment.

_____ Physician's Signature

_____ Physician's Printed Name

_____ Office Address and Phone

_____ Date

IMMUNIZATION RECORDS

Please attach copy or have your physician fax a copy of your child's immunization records to Little Britches Learning Center (972) 287-1083.

Note: If immunization conflicts with your religious convictions, you may submit an affidavit in place of the above requirements. More information on this process may be found at www.immunizetexas.com. If immunization would be injurious to your child, you must obtain a certificate signed by a physician to that effect and attach to this form.
