Shoaff's Mill

G

12:15: Yoga and Sound Savasana with Sharon Owens-Kabatek *at the Mill in the lawn (All Ages)

Shoaff's Mill will be open and operating for tours at 1:00, with Mindy Wilt Environmental Education Specialist at Little Buffalo State Park

Shoaff's Mill was built in the 1830s and was used to grind corn and animal feed until the 1940s. It was restored by the park and now operates on weekends and during special events. See a 32 foot steel waterwheel turn as it did over a hundred years ago as you step back in time to tour Shoaff's Mill

BACK

Playground

The playground will be open all day for children!

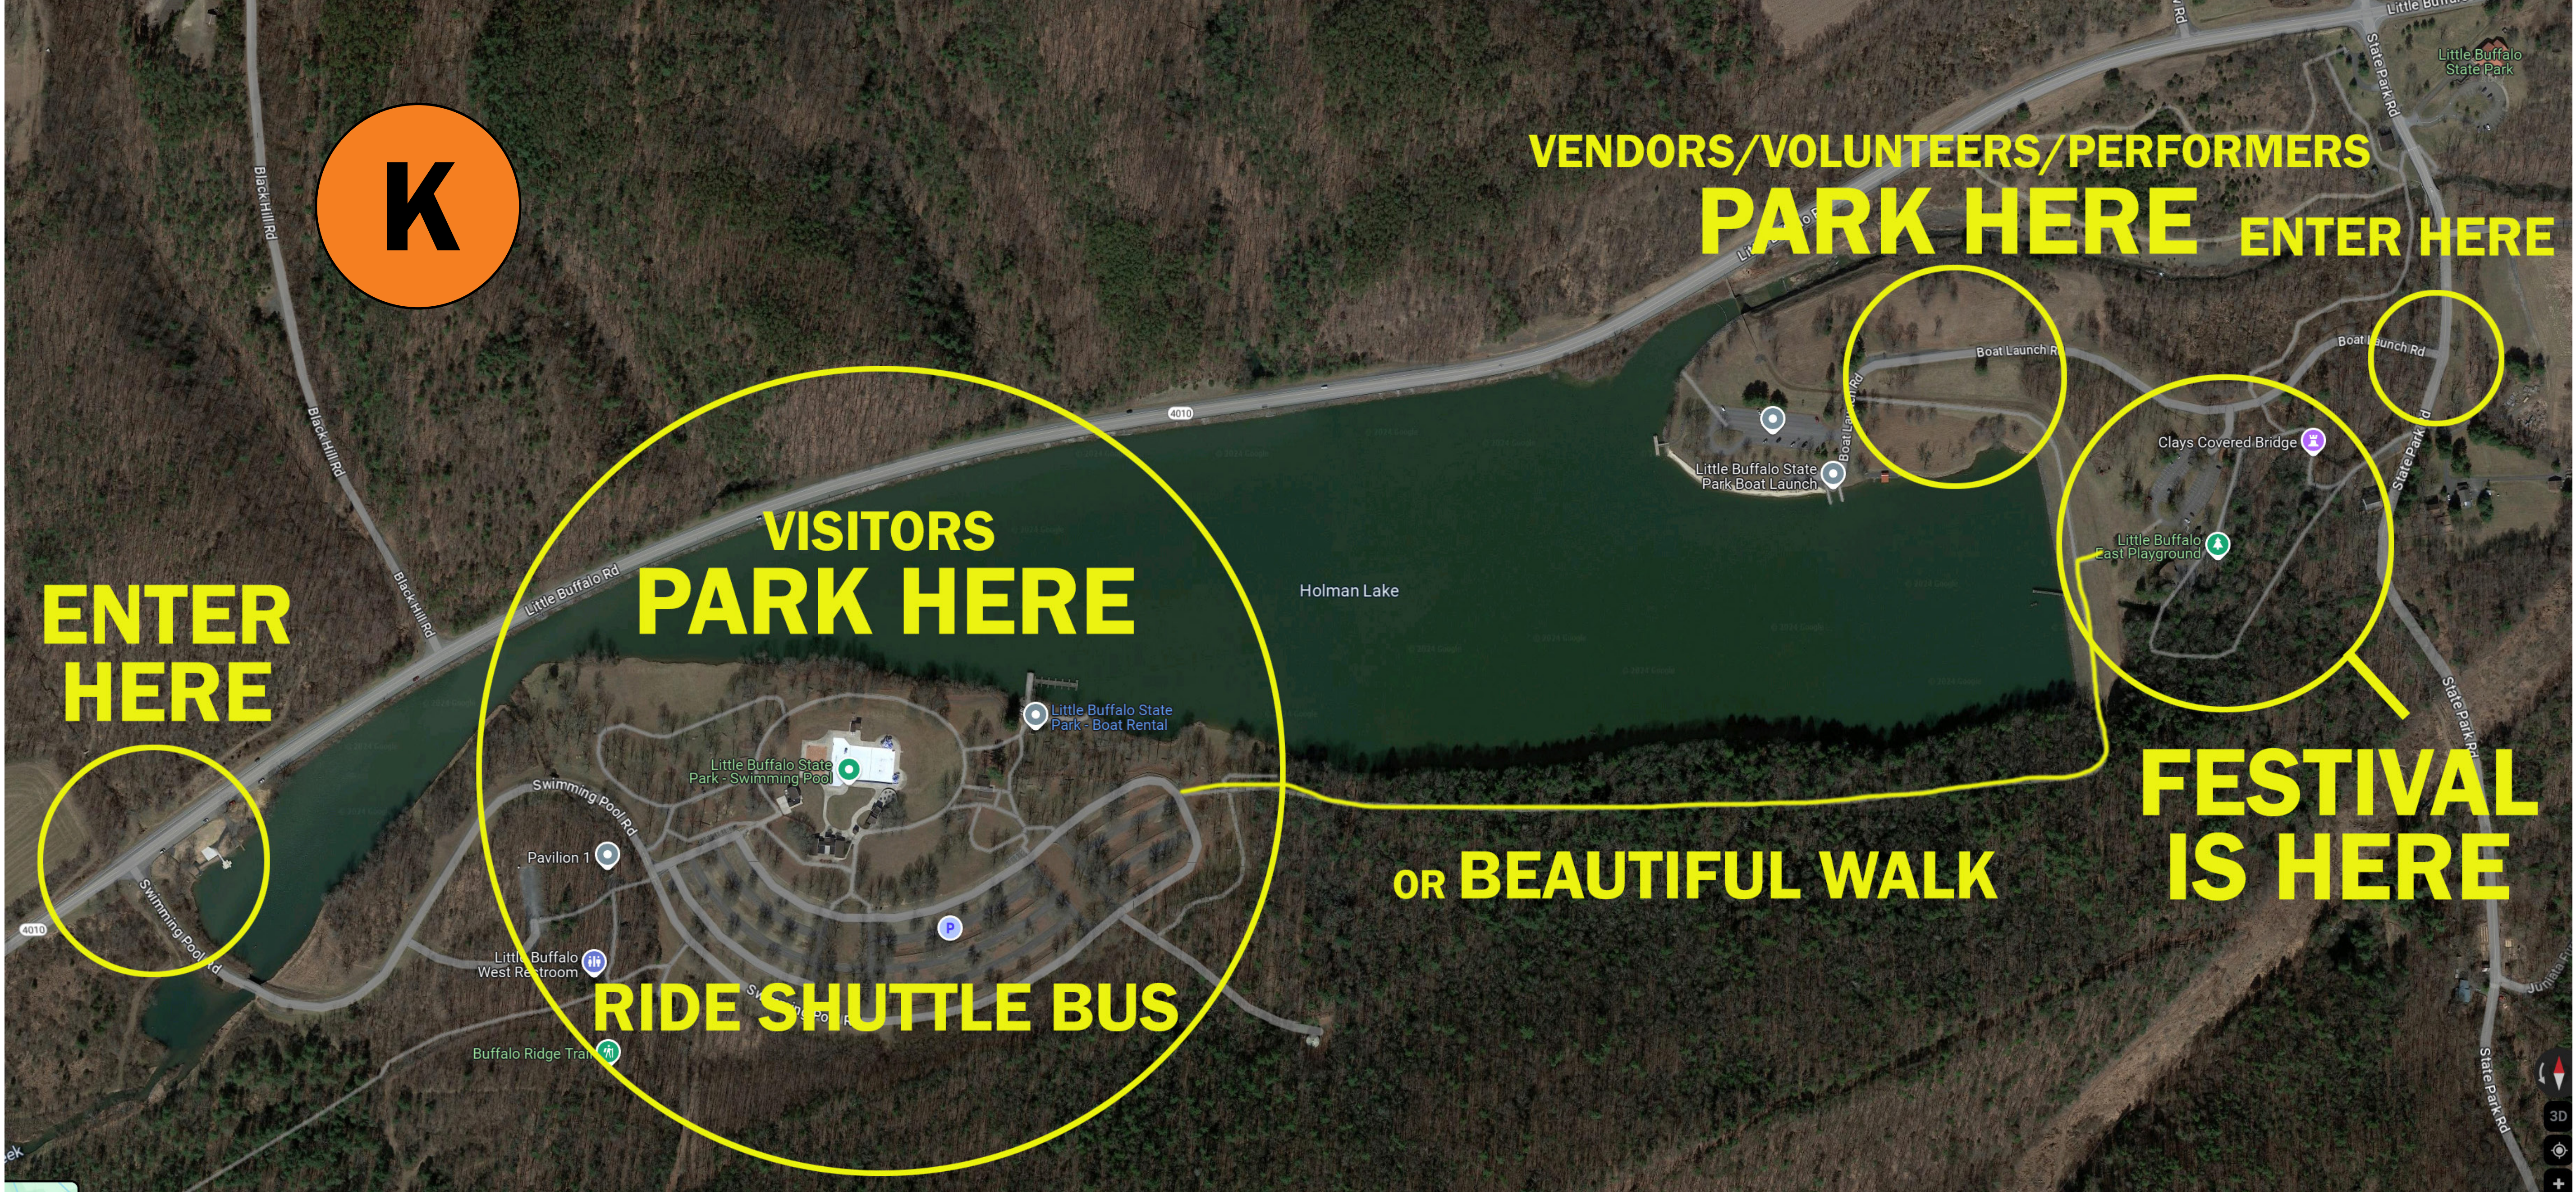

Butterfly Garden

You might still see some butterflies this time of year in the garden!

Festival Entrance

These are the entrances to the festival, whether you walk in or the shuttle bus drops you off. This is so you can orient yourself to the map.

VISITOR PARKING

THANK YOU!

to all the visitors who have attended this event year after year making the festival an annual community gathering of family, friends and neighbors supporting local artists, crafters and entertainers.
